DETAILED INFORMATION

Overview

Cruise in Air Conditioned Comfort in this enclosed Helm, 2008 Regal 44 Commodore. Full hardtop with hard-glass enclosure keeps you comfortable and dry in all conditions. A walk-thru windshield provides safe and easy access to the foredeck.

Powered by super efficient Volvo IPS 500 diesel Pod Drives with easy joy stick docking. This is the latest technology married to excellent design and comfortable accommodations. Below decks is a two stateroom, two head layout with large Dinette to Port and a well designed and fully equipped Galley to Starboard. There is storage galore in this spacious Regal 44. The unique pocket doors really opens up the Guest Stateroom and gives the cabin a very open feel.

Above decks, the enclosed Helm features a huge U-shaped settee to Port and wet bar with grill to Starboard. The Helm provides excellent visibility and sports a complete Raymarine electronics package. The dedicated cockpit AC makes cruising very comfortable. The Aft Cockpit features forward and aft facing seating with a bimini extension for shade from the sun. Flexi Teak decking provides a nautical feel and no maintenance decking. The Aft Cockpit seat raises up electronically to provide excellent access to the engines and genset.

This is a must see if you want a late model, state of the art Express Cruiser. Call today for more information and to make an appointment to see "Pirate's Booty."
