Fuel Capacity: 310 Gallons

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Deep Vee

Engine Information

Engines: 2

Manufacturer: Yamaha

Model: 4 stroke

Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION

Accommodations

The Pursuit 3070 Offshore combines Express-style features with outboard power, creating a handsome, rugged performance package just as comfortable in open seas as it is cruising inland waters. The upper deck is centered by brushed aluminum windshield, stylishly designed, fully functional from the bridge. A wide, flush deck walkaround area enables access from the spacious cockpit to the forward bow. The ladder back helm seat is electronically controlled and conveniently located starboard, allowing a central entry to the cabin. A portside L-lounge is designed for relaxing and taking full advantage of the entertainment center, aft of the helm. An electric lift of the bridge deck reveals access to the lighted rod and gear storage area. The top deck is finished with cockpit coaming bolsters, a retractable rear lounge seat, a generous cooler aft, and a floor-mounted fishbox with a macerated overboard drain, and a practical transom door.

The cabin features a teak dinette-style and seating configuration with a cozy V-berth forward and a smaller diagonal berth amid ship with storage beneath.

The galley is complete with Corian counters, a microwave, an AC/DC refrigerator, and a stainless sink. A full, stand-up shower, vanity mirror and storage, plus a fully framed door are features of the VacuFlush head compartment. Teak and maple flooring throughout and decorator fabrics finish the 3070 interior with elegance and functionality.
