SPECIFICATIONS

Overview

Hull 16, Pacific Mariner 85 Motor Yacht, introduced at FLIBS in 2009/2010, was designed for optimum quality, comfort, style and value in a proven platform. The spacious, well appointed four stateroom arrangement, coupled with industry leading quiet acoustics, ensure a relaxing time aboard while surrounded by exceptional details in wood, stone, and elegant fabrics. The profile and exterior styling elements include larger port lights to illuminate the master stateroom, and a flybridge deck overhang that allow an expanded boat deck. An additional point of interest is this vessel has traveled to the Great Lakes with a minimal total height of 20' 3" (air draft). The interior was completely redecorated in 2015/2016.

Basic Information

Category: Motor Yacht

Model Year: 2009

Year Built: 2009

Country: United States

Dimensions

LOA: 85' 0" (25.91m)

Beam: 21' 3" (6.48m)

Min Draft: 5' 3" (1.60m)

Max Draft: 5' 8" (1.73m)

Clearance: 20' 3" (6.17m)

Speed, Capacities and Weight

Cruise Speed: 22 Kts. (25 MPH)

Max Speed: 25 Kts. (29 MPH)

Displacement: 147357 Pounds

Water Capacity: 425 Gallons

Holding Tank: 210 Gallons

Fuel Capacity: 2325 Gallons

Accommodations

Total Cabins: 4

Total Heads: 4

Crew Sleeps: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: MTU

Model: 10V2000 CRM 93-Series

Engine Type: Inboard

Fuel Type: Diesel
