DETAILED INFORMATION

Overview

An extremely popular model for Tiara, the 3500 Express is a top-tier express with luxury-class accommodations and an oversized cockpit. She's heavily built on a modified-V hull with a solid fiberglass bottom, prop pockets, and a wide 13'9" beam.

The interior is huge for a 35-footer thanks to her super-wide beam. The big lounge next to the cockpit steps can be converted into a private stateroom at night, and both sleeping areas have folding privacy doors instead of curtains. A removable pedestal seat allows the dinette to seat five, and a nighttime lighting system activates when you step on the top companionway step.

All in all, this is easily one of the better interiors available in a midsize express. Additional features include a teak cabin sole, transom storage locker, single-level cockpit seating for eight, and an optional four-foot swim platform for stowing an inflatable or PWC.

Features

Navigation electronics have been recently updated:

- Raymarine RAY 218 VHF Radio
- Raymarine Autopilot
- Raymarine Hybrid Touch GPS plotter with chart and depth display

Equipment list:

- Onan generator with 1410 hours
- Spare propellers
- Two battery chargers
- Two Wabasto AC units with digital controls
- 110/12 volt refrigeration
- Racor Fuel filters
- Halon fire suppression system
- Remote spotlight
- Anchor windlass
- Bimini top
