Overview

This isn't our boat. This is your boat.

Built to order and built around you, the new Fairline Targa 53 GT asks just one question? Why compromise? Because this boat doesn't just let you truly personalise your space, it gives you more of it where it really counts.

And this is the boat that reflects your priorities – quality of build and quality of experience – from superior engineering and equipment, to all those small details that delight. All that adds up to something very special. Because, if you agree that for your new boat 'close enough' isn't going to be 'good enough', then it can only be the new Fairline Targa 53 GT.

For the uncompromising, nothing less will do.
