SPECIFICATIONS

Overview

New Volvo 8.1 GXI 420 hp installed in 2011

Full Exterior & Interior Detail for Spring

The Cobalt 282 is as responsive to the captain as it is to her guests. For all its size and spaciousness, the 282 handles with the agility, and nimbleness of a far smaller craft. Even so, sheer volume remains a principle 282 virtue: large storage opportunities include dedicated fender lockers, a gigantic head compartment, a motor box ready to accept twin-power options (choices that will make the 282 something of a rocket), a big swim platform, a double-wide helm seat, and an artful design for an imposing hull that delivers a splendid ride in rough water. Standard equipment includes a sound system, a galley unit with sink, wrap-around seating, and a pump-out Porta-Potti.

Basic Information

Category: Cruiser

Model Year: 2005

Year Built: 2005

Country: United States

Dimensions

LOA: 28' 6" (8.69m)

Beam: 9' 0" (2.74m)
