SPECIFICATIONS

Overview

EXTENDED CATERPILLAR PLATINUM ENGINE WARRANTIES UNTIL MAY 2019

New to the market. CAMILLE features (3) staterooms and a very large salon/galley/dining area. The aft bridge steering station allows ease of docking and trolling. The outriggers and recessed electric teaser reels are accessed at this station. The best of factory options have been included on this Viking: CAT 32A diesels, enclosed spiral staircase to flybridge, mezzanine seating, dual generators, underwater lights, watermaker, superior electronics, SAT TV and Internet, additional factory fuel tank (1,920 gallons total).

The master stateroom has an over-sized queen bed (marine king) on diagonal; the forward stateroom is Viking's most popular VIP arrangement (double bed and upper single berth); the starboard stateroom has side-by-side twin beds. Each stateroom has its own head with stall shower.

This Viking has always received the best of Viking service and maintenance. CAMILLE'S advanced styling, innovative features, superior layout/design, and dynamic performance elevates her to the top of her class.
