SPECIFICATIONS

Overview

Perfect opportunity to own a better than new and extensively equipped 2017, just in time for this years boating season! With the next available ordered 48 not being available until the fall of 2018, Caroline Julia, is a must see for anyone considering buying new.

- MAN ESC until July 2021 or 2,500 Hours (Complete Details Upon Request)
- SeaKeeper Gyro
- Kingston Grey Hull Color
- Venezuelan cockpit sunshade
- Swim Platform with ladder
- Hatch over bridge ladder opening
- Additional 200 Gal. fuel tank
- Water maker
- Air-conditioned mezzanine
- And much more

The 48 Convertible is part of the world famous Viking product line up with exciting styling, an impressive three stateroom layout with Viking's legendary construction and attention to detail. The Viking design group then turned to its pair of \$1 million computer operated five-axis profiling milling machines and embarked on a prodigious course to create house and deck assemblies to produce this 48 Convertible.

Powered with MAN 1200 MHP diesels the 48 Convertible will cruise at 30 knots with a top end in the mid 30 knot range. The raked entry and forward chine are designed to pierce through head seas and divert spray downward. Convex hull sections add curvature and form to the running surface, while molded running strakes accentuate lateral tracking and maneuverability.
