SPECIFICATIONS

Overview

Love at first sight. The Gran Turismo range of sports cruisers will charm and thrill you. Racy lines draw the eye while the airy, spacious and secure cockpit is a delight. Whether in 'dolce vita' or sporting mode, her high performance twin engines ensure that those who step aboard will live life to the full. The Gran Turismo 40 has attractive curves that generate envious looks. A desire to fly to the horizon, riding on the air cushion effect of the latest generation Air Step technique. A sporty superstar with a marked Italian character, the GT 40 carries pilot and passengers at full speed, in complete safety and with ample space to fully enjoy the thrill of being on board. Designed by the talented hands of Nuvolari and Lenard, the Gran Turismo 40 recreates the sport cruiser concept. A perfectly proportioned interior and superior performance make her not only eye catching but a pleasure to drive. The profile is sleek, the impression of power obvious.
