DETAILED INFORMATION

Description

This is a very rare 73' Horizon with C-30 CATs. 1000 hour service was completed in 2015. All new state of the art electronics package in 2014 including two Garmin 8215 touch screens. New carpet, flybridge enclosure, water maker and exterior cushions in 2015-2016.

Accommodations

This 73' Horizon offers (3) spacious owner/guest staterooms with a luxurious full beam master, two exquisitely designed full heads all with marble sole and a day head nestled under the stairs to the flybridge. The Crew's Quarters are aft with ample room for three with an additional full head and shower.

Vessel Walkthrough

She is the perfect blend of style, function and dependability. Stepping onto the oversized swim platform from either port or starboard, one walks up four curved teak steps. The aft deck is entered via hinged stainless steel gates. The spacious aft deck offers a teak inlay table, bench seating and loose teak chairs.

The Salon is forward and features satin cherry interior wood with gloss burl accents throughout with a wrap-around settee to starboard and the yacht's entertainment center to port. Forward and up are steps to the yacht's open galley, day head and wheelhouse area with curved settee.

The accommodations are forward and below with a VIP cabin forward sharing a head with the twin berth guest cabin. Next aft is the full beam master with walk-in closet and oversized bed.

From the rear of the salon, one can enter the aft cabin and engine room area. The aft cabin can be utilized for crew or guests. There is a fold down berth in the utility area. The crew interior wood is satin maple throughout.

The flybridge is accessed by either interior steps or aft deck steps. The flybridge has a centerline helm, curved settee with table, wet bar, refrigerator, grill and an area for a tender.

Construction

This 73' was built using Horizon's licensed SCRIMP process on the hull, deck and superstructure for high strength and less weight. High density coring is used above the waterline as well as in the stringers. Styling is current and modern with walk-around side decks and a very pleasing profile.

Salon

Stepping inside from the aft deck, through the Trend sliding stainless steel door with full drapes is a cabinet to starboard with a hidden U-line refrigerator with icemaker below and custom locker above. Assorted stemware is fitted in Lucite shelves behind an etched glass door with interior lighting. Next forward is a huge U-shaped, off white leather sofa with loose pillows that seats up to eight people. In front of the sofa is a cherry and smoked glass coffee table with two small stools that match the sofa below the table top.

To the portside is a two person love seat in matching off white leather. Flanking the love seat are cabinets with a Marantz CD Changer, Samsung BluRay/DVD, and KVH Tracvision control panel, the salon's Direct TV receiver and one of the yacht's DC electrical panels.

The overhead has a custom ceiling inlay with a lighted, mirrored tray ceiling and wood trim. Also in the salon are (5) 6" stereo speakers, subwoofer and burl wood columns that accent the high gloss cherry joinery.

Galley

One step up and just forward of the salon is the open galley. The sole is Teak and Holly. The countertops are granite. The galley is U-shaped off the starboard side of the yacht. There is a U-shaped dinette forward, with a country kitchen arrangement. Forward of the galley but open to the area is a small cherry table and C-shaped settee to seat four.

- GE Full sized dishwasher
- GE Profile 4-burner Ceran top glass cook top
- GE Built-in under counter oven
- GE Profile microwave/convection oven with exhaust fan and work light
- SubZero refrigerator with two freezer drawers with cherry paneling
- (4) Overhead lights
- Overhead stereo speakers
- Assorted cherry front doors and cabinets
- 21" Samsung flat screen TV, New 2014
- Marble countertops

Dinette Area

- Forward of the galley
- Small cherry table
- C-shaped settee to seat four

Day Head

Opposite the galley, nestled under the stairs to the flybridge, is the day head with a granite tile sole, granite vanity with porcelain sink, Royal Flush Head Hunter toilet, exhaust fan and a mirrored medicine cabinet.

Companionway to Accommodations

Forward and down from the port side of the U-shaped dinette are five curved steps to a landing that goes forward to a VIP and Guest Cabin. Two more steps lead aft to the centerline Master Suite.

Also in this area are step lights, handrails, GE stacked washer dryer and bilge access hatches. In the bilge of this area is a 20 gallon hot water heater, a holding tank, macerator discharge pump, and automatic bilge pump and a high water alarm.

Master Stateroom

- Located centerline of the yacht, this cabin offers maximized beam
- Centerline king size berth
- Rope lighting
