DETAILED INFORMATION

Vessel Information

This is one hell of a center console! Built in 2013, outfitted in 2016 with 300hp Yamahas and one of only a few for sale with a Seakeeper makes this 42' Hydra-Sport and absolute dream on the seas! She is built like a tank and ready to fish tournament fish. But, she is also refined and great for cruising around the sand bars and coast waterways. The 300s are more reliable and more fuel efficient. Even with a tower and seakeeper, she is fast and nimble and spends more time on the water and less time in the shop! Don't let this one get away. She is powered right and the seller is MOTIVATED.
