The Hunter 40.5 was conceived as a comfortable cruising boat, and as in all Legend Series Yachts, a tough competitor on the racing days. "Imagine" blends comfort, performance, and shorthanded sailing capabilities all in one package. Her powerful rig, swept back spreaders and large mainsail enhance her performance, while the bulb-wing keel keeps her stable and shallow in draft.

Special touches like a small furling head sail, single-line reefing and sail flaking make cruising the 40.5 so enjoyable. A wide open cockpit, complete with a table keep you comfortable in a seaway or on the hook.

Act Fast! Don't miss out! Call Today! You Won't be disappointed!!!
