SPECIFICATIONS

Overview

Price Reduced May 2017

This boat won the White Marlin Open in the early 2000's as the "Edge Runner" and immediately went to Viking for a refit. She has approximately 2300 original hours on Cummins 6CTA 450 8.3 liter motors new in 2002. Fitted with new twin disc gears, shafts, and nibral 4 blade propellers, "Matador" cruises 25 knots at 29 gallons per hour, making this boat one of the fastest, most efficient sport fishing boats in the size class.

This boat would make an awesome private boat for the serious fishermen or is a perfect boat for someone to use for Charters.

Basic Information
