## Overview

---

One of the Pershing SPA (Ferretti Group) built yacht to have a fast cruise with 2 X MTU 12V2000M94 can reach the maximum speed of 44 knots. The perfect blend of modern interior and sport exterior make her perfect water toy, which has 3 cabins that can accommodate up to 7 guests.

The salon space is beautiful furnished with a lot of light areas that create a comfortable atmosphere designed by Fulvio De Simoni. In the words of the designer, the main objective was "more sun area without having to touch the by now established line of the yacht.", so Pershing 74 unlike any Pershing before has a huge sundeck with sun-pads.

SILVER is perfect speed boat that brings not only speed but unexceptional comfort.
