# DETAILED INFORMATION

---

---

## Accommodations

---

The spacious master stateroom is forward and features a centerline queen berth, vanity table with make-up mirror and swivel chair. The private master head has a large adjoining shower stall and generous storage. The master stateroom has two opening port lights and overhead hatch for ample natural light, ventilation and emergency egress. New bedding, pillows, and lighting.

The guest stateroom has over/under twin berths, generous closet and drawer storage and two opening port lights. The guest head has an adjoining shower. New bedding, pillows, and lighting.

Both staterooms have teak and holly sole throughout, and fine teak joinery.

---

## Main Salon

---

The salon features a generous all teak interior, teak and holly sole throughout, and fine teak cabinetry. The sofa converts to sleep 2, a hi-lo teak coffee/dining table, two leather barrel chairs, Toshiba 23" flat screen TV/DVD and KVH M3 Sat Receiver. New stereo, speakers, and sub-woofer. New white LED Valance Lighting and Red LED Safety Lighting.

The salon visibility is 360 degrees plus full lower helm instrumentation and easy access electrical panel. The galley and lower helm are forward on the same level.

---

## Galley

---

The galley is up and features all teak woodwork, Galley Maid stove with oven, microwave, and countertop height, side-by-side freezer and refrigerator. The fresh water system is both 110 and 12 volt.

---

## Electronics

---

- Depthsounder
- Navigation Center
- Plotter
- Autopilot
- GPS
- VHF

- TV
- VCR
- DVD Player
- Radio
- CD player
- Cockpit speakers

---

## Electrical Equipment

---

- 110V AC electrical system
- 12V DC electrical system
- 12.5W Generator
- 40amp Battery charger
- 3 Batteries w/parallel switches
- Dockside electrical cable
- Shore power inlet

---

## Fly Bridge

---

The flybridge features an aluminum half tower with laced on waterproof stamoid cover and three side eisenglass enclosure. The helm station has full instrumentation, two swivel helm chairs and bench seating forward.

---

## Deck Equipment

---

One of the highlights of the Hi-Star yachts is the excellent fiberglass work and this is very evident in the molded non-skid decks, wide side decks with molded steps from the cockpit, transom door thru to large fiberglass swim platform, and a large cockpit well suited for fishing, diving, or just cruising.

There is a molded fiberglass bow pulpit with heavy duty stainless steel rails and heavy duty stainless steel side stanchions.

There are both freshwater and saltwater wash down systems, newly rebuilt Maxwell electric windlass with 100' all chain rode and additional 250' chain and nylon braid anchor rode. Fenders and lines, 6 life jackets with life rings, navigation lights, swim platform, swim ladder. Hull color is off white. Stainless steel bow mounted fender holder, all railings are high grade stainless (316), and new helm cover and seat cover.

- (2) Seaview Underwater Lights
- (2) Anchors
- Transom door

- New recessed cockpit lighting
- Molded non-skid decks
- (2) Spare propellers
- Teak Cockpit
- Teak Sidedecks

---

## Engine Room

---

The engine room has three separate access points. The engine room is fully sound insulated, features excellent access to the outboard sides of the main engines, aluminum flooring, and full stringer engine saddles and isolation mounts. The well designed engine room on the 48' Hi Star Convertible is very impressive.

Both engines new injectors, valve adjustment, intercoolers removed and cleaned, rebuilt fuel injection pumps. Engines and Generator recently serviced; Heat Exchangers Cleaned, Oil and Oil filters, fuel filters, and new engine start batteries as well as new bow thruster batteries.

- Electric bilge pump
- Air conditioning 16000 BTU Cruise Air
- Heating
- Hot Water
- Water maker
- Sea Water pump
- Deep freezer

---

## Exclusions

---
