Basic Information

Category: High Performance

Model Year: 2016

Year Built: 2016

Country: United States

Vessel Top: Hardtop

Dimensions

LOA: 42' 0" (12.80m)

Beam: 11' 9" (3.58m)

Clearance: 10' 0" (3.05m)

Speed, Capacities and Weight

Max Speed: 59.090384456 Kts. (68 MPH)

Displacement: 18900 Pounds

Water Capacity: 54 Gallons

Fuel Capacity: 500 Gallons

Accommodations

Total Cabins: 1

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Deep Vee

Engine Information

Engines: 4

Manufacturer: Mercury

Model: Verados

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

OVERVIEW

Overview

The 42' Huntress exemplifies Cigarette's determination to continually innovate and expand its horizons. By merging a performance hull with an entertainment-centric deck and cabin created a total lifestyle powerboat. The efficient hull propels this boat up to exhilarating speeds yet even with its gracious and spacious deck and lounge, the boat's its extreme agility and easy-handling belie its size.

Mercury 350 Verados provide extremely reliable power. Its twin-step, deep-vee hull efficiently and smoothly runs the water, while the lightweight, composite, structure and framework has been further refined, lowering weight and improving the balance. The hardtop follows the lines of the vessel, and the weight has been further reduced to lower the center of gravity. Twin steps aid easy on-plane acceleration and smooth running and the easy handling may surprise the first-time captain.

Architecture

All-new CNC tooling for the 12' beam created an all-new Cigarette with extra room to spare above and below deck, where 7+ foot headroom provides surprising freedom of movement.

Side transom entry, opening inward, welcomes passengers on deck with a tender in mind. A heavily engineered hinge and a strong stainless steel handle built into the gunnel facilitate entry to the boat and water. A recessed ladder disappears into a floor hatch and on deck, a walk-around configuration give a yacht-like feel. On the port side, a door leads to the fully-accessorized cabin below and in the front deck, an ergonomic chaise invites lounging.

The new T-Top, with excellent visibility, is a highly-engineered aluminum/composite structure solidly tied attached to the stringers, yet provides elegant lines that complement the all-Cigarette hull and deck.

All of the design and construction details of the Huntress combine to create the ultimate Cigarette-one with speed, technology, luxurious space and a commanding presence, on the water and at the dock. It is the next dimension of power-boating.

Technology

The console and helm are ergonomically designed for comfort and technology where bolsters with pull-down seating offer comfort options for supported standing or sitting while opposing hydraulic lounges meet to create a sizable sun pad.

The dash is highly-engineered: the CNC double-anodized, billet aluminum new dash panel features switches functionally-grouped and designed for simple, intuitive ease. The dash can accommodate up to three 15" Garmin GPS screens and four Garmin Digital Marine Instrument displays, used to show customizable engine data.

Design

The Huntress' impressive and commanding silhouette with a generous 12' beam, new deck, cockpit and full, luxurious cabin, shows the depth of design built into this performance center console. Adapted as a "walk-around" for easy access and efficient use of space, the configuration creates a flow so passengers can interact and enjoy all the leisurely appointments of this grandly planned powerboat.

The Huntress is specially outfitted to offer all the comforts for all your guests for your perfect day of performance boating and the freedom to explore the options.

Key Standard Features

- World Famous Cigarette Paint Included
- Cigarette Patented 180 Degree Panoramic Hardtop
- Starboard Side Dive Door with Safety Latch and Retractable Stainless Steel Handles and Ladder
- (3) 15" High Definition Touch Screen Garmin 8215

Deck

- Cigarette Patented 180 Degree Panoramic Hardtop
- Starboard Side Dive Door with Safety Latch and Retractable Stainless Steel Handles and Ladder
- (3) 15" High Definition Touch Screen Garmin 8215
- (4) Garmin Programmable Digital Engine Gauges
- Garmin High Definition Sounder

- Garmin VHF300 Radio with Remote Handset
- 7" Mercury Marine VesselView for engine information and diagnostics
- Custom Designed Cigarette "Pure" by JL Audio System, Bluetooth with Garmin Interface
- (12) Dynamic Ambient Mood Lights in Cockpit and Hardtop
- (4) Underwater LED Lights
- Dash Controlled Battery Switches
- Carbon Fiber Dash Panels
- Forward Circular Seating with Under-Seat Storage
- Helm Seat with Retractable Hydraulic Lounge Seats
- Oversized Forward Facing Sun Lounge with integrated cooler
- Aft Retractable Hydraulic Lounge Seat
- CNC Machined Billet Pull-Out Glove Box
- CNC Machined Billet Footrest with Cigarette Logo and Rubber Tread Surface
