Crew Cabin: 2

Hull and Deck Information

Hull Material: GRP

Engine Information

Manufacturer: MTU

DETAILED INFORMATION

General Description

Built in 2011 by Italian yard Maiora, part of the FIPA Group, Antarah is certainly one of the most customized Maiora motoryachts to date.

On board accommodation is for eight guests in four cabins comprising the master, a double and two twins. The fact that Antarah has two guest cabins aboard makes her stand out versus other yachts in this category. With two smaller cabins originally intended for children, the yacht is ideal for families. A bright and modern interior makes use of natural birch, leather ceilings and light furnishings. *Antarah's* full beam main salon, which leads forward to the bridge, offers sweeping views across the sea and ample space for guests to gather, relax and enjoy memorable dining experiences. Indoor spaces lead seamlessly out to her generous decks, with the flybridge and aft deck both offering dining and sunbathing set ups.

Another differentiating factor is that Antarah is one of the most comprehensively equipped Maiora yachts ever built. She features "zero-speed" stabilizers, a hard-top, a fully-equipped second galley, a folding treadmill on the flybridge, upgraded hydraulic bow and stern thrusters, upgraded generators, double watermaker, night vision camera, hydraulic bathing "staircase", and more.

Powered by twin MTU 1.935hp 2000 series engines she cruises at an impressive speed of 25 knots, with a maximum speed of 28 knots, making her ideal for those looking for yacht that perfectly combines speed and style. Zero speed fin stabilisers ensure added comfort when on board. The yacht is in excellent condition.

Asking Price: €2,900,000. For more information on *Antarah* for sale please contact the listing broker

Exclusions

Owner's personal belongings.
