SPECIFICATIONS

Overview

Built in GRP by Italian yard Benetti to a design by Stefano Righini , *Vaao* was delivered in 2012 as one of the yard's Benetti 121' Classics and is MCA compliant for charter. An elegant interior by Francois Zuretti uses oak panelling with leather inserts to accommodate 10 guests in five cabins consisting of a large master suite, VIP suite, a double and two twins, all with entertainment centres and en suite bathroom facilities. In addition, there are quarters for seven crew aboard this yacht for sale.

In the main saloon, floor to ceiling glazing offers a room full of daylight and there is comfortable seating, a full bar and an entertainment centre including a large screen television set and a stereo surround sound system. Forward, a formal dining area seats 10 guests. The full beam upper saloon has its own informal atmosphere, creating an area where guests can relax and watch all the latest Hollywood offerings on a wide screen television set.

The designers have used the yacht's three decks to the fullest extent, providing al fresco entertaining and dining areas on the aft and upper decks, but most especially on the sun deck which offers a bar, barbecue, dining table and seating partially shaded by a hard top. Twin 1,448hp MTU diesel engines give her a cruising speed of 14 knots and a range of 3,400 nautical miles at 11 knots.

Currently completing her five year ABS class survey, is asking €11,900,000.
