## Overview

---

This Holland built vessel was designed for the treacherous waters of Europe and the North Sea. She is the perfect vessel to do our Great Loop with only 12' Bridge Clearance. Single 145 hp Long Range Volvo Diesel, 8 kw generator, bow and stern thrusters, Wesmar stabilizers and more. Over \$60,000 in recent upgrades spent in January 2017. Absolutely beautiful.

# DETAILED INFORMATION

---

## Introduction

---

Truly a vessel that stands out in the crowded market of fiberglass "cookie cutter" boats. A little ship capable of transporting her captain and guests in lavish comfort and security. Built tough and equipped for travel to far way destinations.

Boarding is made incredibly easy at the port and starboard gates or the bow & stern access gates. The wide side decks provide safe passage forward or aft with all welded heavy duty hand rails and the beautifully maintained teak decks give sure footing. The new expansive Bimini Top with reinforced stainless steel frame protects the entire aft deck from sun rays and the huge aft deck provides great room for entertaining and or relaxing for everyone aboard.

## Accommodations

---

There is a large helm bench seat along with full beam aft bench seat with removable insert for quick access to the tender and transom ladder. There is also a movable teak table. This area offers all shipmates an unobstructed 360° view of their journey. The yacht tender is easily launched with the St. Croix Davit System and the large swim platform make getting on and off the tender easy.

Entering the spacious cabin five steps down you will encounter a cabin that was obviously professionally decorated. The white Bead Board overhead and new light colored custom fit Berber carpet reflect the light enhancing all the beautiful cherry wood cabinets and wall panels. Immediately to port is a new pop-up flat screen TV. Forward of that is the electrical distribution panel and lower helm with upgraded electronics. Across to starboard is the large U-shaped settee which was recently recovered and a new expandable teak table was added.

Forward of the salon and four steps down is the galley to starboard and dinette. The galley has numerous cherry wood cabinets and drawers along with a white mica countertop. Other features include stainless steel sink, two portlights, three burner stove top, microwave, toaster oven and accent lights. Across to port is the dinette with booth seating, cherry wood table, two port holes, lamp and ultra-soft cushions that make a cozy spot to dine with your favorite friends.

All the way forward is the guest quarters with over under single berths. Other cabin highlights include abundant storage, two built in directional fans, deck hatch, port hole, new 24" flat screen TV, and reading lights. Across is the forward head with electric head, custom decor accents, rope mirror, round sink and towel rack.

All the way aft is the Master Stateroom with Island Queen berth. The numerous cabinets, drawers and closets are all finished in cherry wood. Large port holes to port and starboard bathe the cabin in natural light. A new flat screen TV is on the forward bulkhead. Decorative lamps, clocks and picture frames give a warm personal feeling and ultra-plush bed covers and throws make the cabin even more inviting. The enclosed head with new tile work, large back splash, towel warmer and oversized sink make it more like a home. There is also a large shower stall with seating area and port light.

---

## Galley And Laundry

---

- Booth Dinette for four with new upholstery
- Cherry Wood Table

## Broker's Comments

---

A handsome Holland built vessel designed for the treacherous waters of the North Sea. Incredible condition for her age with \$60,000.00 spent on her in recent upgrades in

2017. A true head turner at any marina. A great loop boat with drop down mast and drop windshield. Every option including stabilizers, bow and stern thrusters, inverter and tender.
