Overview

This immaculate Sunseeker 35/40 Portofino has two large staterooms with a perfect layout. None of the milky wood you see in other boats, hull recently painted and tons of upgrades. Below you will see how much money was spent on this boat recently, you will not find a cleaner and more equipped Sunseeker Portofino on the market. Boat is owned by a very anal and experienced captain.

With a length overall of 40' she has more space than most competing brands but with much more styling. With a 30 knot cruising speed this Diesel powered boat only sips fuel.
