SPECIFICATIONS

Overview

The Cabo 35 Express Fisherman has been one of the most popular boats in the Cabo Yachts line-up. This model boasts sleeping accommodations for four adults, a well equipped galley, and a spacious full sized head. Beyond the cabin the 35 Express also features a nice helm deck with plenty of seating and a large cockpit with every fishing amenity. "Jenny" is a superb example of the popular Cabo 35 Express. Rigged with a full tower and top of the line electronics package, all new isinglass, this boat has almost every factory option an owner could ever want, including fresh rebuild Caterpillar engines (by Caterpillar) with less than 100 hours. "Jenny" is definitely one of the best rigged and well maintained Cabo's on the east coast.

Basic Information

Category: Sport Fisherman

Sub Category: Express

Model Year: 2004

Year Built: 2004

Country: United States

Vessel Top: Full / Tuna Tower

Dimensions

- TV Set - Sole
- Navigation Center - Garmin GPSmap7612 (2)
- Plotter - Garmin GPSmap7612 (2) GPSmap 7610
- Autopilot - Simrad AP24
- Radio
- Compass - Ritchie
- CD Player
- GPS - Garmin GPSmap 7612 (2) GPSmap7610
- Cockpit Speakers
- VHF - Icom IC-M506

Inside Equipment

- Electric Bilge Pump
- Microwave Oven - Panasonic Dimension4
- Marine Head
- Air Conditioning
- Heating
- Hot Water
- Refrigerator
- Deep Freezer
- Battery Charger

Electrical Equipment

- Shore Power Inlet
- Generator

Overview

Introduced in 1993, the Cabo 35 Express is a top-level sportfishing machine whose impeccable detailing, superior engineering, and rugged construction made her one of the most popular boats in her class. Constructed on a modified-V hull with a relatively wide beam and a shallow keel, the hull was updated in 2000 with a finer entry to provide a softer ride and improved head- sea performance. While a centerline double berth was offered in early models, more recent interiors were offered with a traditional V-berth or

an offset double berth forward. Cabin headroom is excellent and the decor is very upscale for a fishing boat. The cockpit is big for a 35-footer and comes standard with a bait-prep center, transom door, two in-deck storage boxes, cockpit coaming pads, washdowns and plenty of locking rod storage. A settee is opposite the helm with the optional companion seat, and the entire bridge deck lifts hydraulically for access to the motors. In 2002 the deck tooling was updated and side vents were added to the windshield. A top overall performer in its class. New Isinglass.

Accommodations

Sleeps 2 owners and guests in 1 stateroom plus settee sleeps 2 for a total of 4 berths. One head and shower. Teak & holly flooring throughout.

Master Stateroom

- Air conditioning
- Offset double berth
