DETAILED INFORMATION

Accommodations

3 Staterooms, 2 full heads plus a day head in the salon. Master head has large stall shower; guest head has stall shower with adjacent stack unit washer/dryer. 3rd stateroom has over under berths and built-in desk/office area. Huge lazarette provides storage for long range cruising. Main level features Hunter Douglas blinds Salon is comfortable and comes complete with full entertainment center featuring a 32" flat screen LCD TV with DVD and Bose surround sound system. Flat screen TV in master and guest stateroom.

Flybridge deck is enclosed and climate controlled. EZ2CY enclosure with hard center window forward with windshield wiper. Three comfortable helm chairs plus wrap around settee with table along with refrigerator, Ice maker, and sink. Complete instrumentation and electronics.

Stand up engine room with large lazarette. Tender mounted on Freedom Lift off the swim platform for easy launching.

Vessel Walk Through

The lights throughout have been upgraded with LED lighting. The Hampton 54 has a flush level salon and galley. As you enter the salon to port you will find a L-shaped settee with a coffee table. Just inside the salon door to starboard is the door to the day head forward of the head is the entertainment area with a flat screen TV with Bose surround sound, a stereo, DVD player, and DC player. Continuing forward to starboard is the galley area. Opposite of the galley is a built in U-shaped settee for dining.

Center line down 4 steps is the companion way to the staterooms. First to starboard is a stateroom/office with over/under berths. There is a desk and a hanging locker. To port is a guest stateroom with twin single berths with hanging locker and TV. Forward down the companion way to port is the guest head which also has a private entrance from the guest stateroom.

Continuing forward to port is a washer and separate dryer. The owners stateroom is all the way forward with a island berth and an ensuite head.

Up a curved stairway from the aft deck is the flybridge with a full Strataglass enclosure which is climate controlled. The center window forward has a hard window with a windshield wiper. There are three helm chairs and a L-shaped settee with a coffee table and wet bar.

Through a hatch on the aft deck is access to the lazarette and engine room.

The aft deck has a starboard docking station and the swim platform accesses the tender mounted on a Freedom lift.

Vessel is equipped with central vacuum system
