ПОДРОБНОЕ ОПИСАНИЕ

Accommodations: Guests

SYBARIS' main deck features an expansive guest area which connects seamlessly to the cockpit by way of a 4 meter wide sliding door. Inside her main saloon, guests can enjoy uninterrupted sea views as well as an abundance of natural light. Outside, her 18 meter long flybridge provides an equally welcoming area for relaxation and entertainment. The Owner and guest areas are on the same deck-level as the crew quarters, and can be reached via a central staircase leading down from the main saloon area. Direct access for the crew is via a guest-crew corridor located at the forward section of the guest area.

Cabins: - Wall lining in wood veneered panels. - Portlights on top of the titanium recessed walls. - All ceilings in titanium, except the toilets and day heads which are marble. - Wood veneered doors in bathrooms. - Furniture veneering in wood. - All beds with inner-spring mattresses/or Latex to the Owner's preference and leather leeboards with breathing holes in wooden mattress base. - Quilted headboard upholstered in leather. - Portlights provided with roman or wooden blinds, semi-blackout curtains on tracks plus electrically maneuvered sheers and blackouts. - Ceiling lights, headboard lights and night lights. - TV recessed at wall. - Hotel type digital safe.

Bathrooms: - Wall lining, floors and ceiling panels in marble. - Wood veneered doors. - Shower stall in marble with shower tap and hand shower in titanium finishing, shower flooring in marble. - Internal finishing of wardrobes and drawers in wood veneer. - Washbasin top and splash board in marble. - Washbasin taps with titanium finish. - Bathroom accessories with titanium finish. - Ceramic Jets-supply WC w/Toto washlet w/bidet incorporated & cover. - Electrically heated titanium towel rails 1 x in each bathroom.

Double Guest Cabins & Bathrooms: - Double bed with drawers under the bed. - Two (2) night tables with drawers beside the bed. - One large inboard side wardrobe, shelves. - Access door to the bathroom. - TV recessed at wall. - Small desk/vanity with chair. - Outboard side cabinet. - En-suite bathrooms as described above.

Corridor From Guest Cabins to Owner's Quarters: - Central staircase up to the main saloon. - Storage cabinet along the corridor for linen. - One access door to Owner's suite. - Four (4) access doors to the Guests' cabins. - One access door to the crew area corridor. - Watertight door in bulkhead. - Various cabinets for storage & electrical panels. - Staircase walls in glass. @PAGEBREAK@

Accommodations: Owner's Quarters

The Owner's quarters are positioned aft with access from the guest/owner corridor via 1 x central door. (Entrance with 2 side cabinets).

Central Area: - One central king size bed. - Two (2) night tables one on each side. - Low cupboards for storage at the bottom of the bed. - TV in ceiling with lowering mechanism & 180° rotation for viewing from the bed, living area or office area.

Owner's Lounge (STBD): - One two-seat sofa with adjacent cabinets. - One coffee table in front of sofa. - Two (2) armchairs. - One rug. - Bathroom door.

Owner's Office (PORT): - One desk. - One desk chair. - One rug. - Bathroom door.

Owner's Bathrooms (PORT and STBD): - His & Hers en-suite bathrooms. - Fittings as

described above.

Accommodations: Aft Cockpit

Cockpit Area: - Teak planked deck with edge combing. Titanium Ceiling. - One big structural aft sofa arrangement with one central large four seater sofa and two (2) x side two seater sofas. - Two (2) x Fixed coffee tables in teak and titanium and two (2) x in marble at the sides. - Glass panels fitted behind the sofas into the aft curved structure for protection; handrails atop glass panels fitted along the stairs. - TV with up/down lift hidden in ceiling. - Two (2) x End wings and structural cabinets, one port with ER escape ladder, one stbd for storage. - One central round 10/12 seater dining table with 12 Royal Botania chairs. - Small pantry and small day head to port. - Two (2) sliding doors from the aft cockpit leading into the saloon through two entrances: doors are with titanium frame and large central glass panel, electrically and manually operated. - Cushions in semi-closed foam, upholstered with vinyl. - Ten (10) accent pillows (40 x 40 cm). - Central round skylight above dining table. - Staircase up to fly bridge. Engines:	2 x MTU 16V 2000 M72; Diesel 1,930 Hp/1,440kW @2,250 rpm Four stroke - coupled to: 2 x Shafts and 2 x Feathering propellers
Engine Hours:	1407 & 1348 as of April 2018
Gearbox:	ZF 4660 with reduction of 5,040:1 2 x 4-bladed Ni/Fr/Al Bronze with diam. 1500mm 2 x Spare blades
Steering System:	Marsili
Bowthruster (Folding):	1 x 110 KW Voith 550-110 Swing out thruster
Generators:	2 x 120 kW KiloPak variable speed 400V/50Hz
Generator Hours:	2455 & 2418 hours as of April 2018
Emergency Generator:	1 x 26KW KiloPak 400W 50Hz @PAGEBREAK@

Electricity:	400V/50Hz 3-phase for machinery 230V/50Hz 1-phase for lighting & low power machinery 24VDC - emergency lighting, signaling circuitry, electronic instruments & alarms 4-Wire with insulated neutral for 400/230VAC 2 x Conductors with insulated negative for 24 VDC
Sockets:	Europlug Universal 400V & 230V
Shore Power:	2 x 30m Shore cables
Batteries	AGM maintenance free with Mastervolt rectifiers
Main Engine Start:	2 x 24V groups + 2 x 24V, for engine electronics
Service:	1 x 24V - 400 A/h group for 24V
Generator Start:	3 x 24V groups
Emergency Generator Start:	2 x 24V Floattech System
Hydraulic Unit:	Located in fwd area connected to hydraulic power pack for steering, ram, centerboard, shell door, aft cockpit lazarette access hatch, boarding ladders, aft gangway, afterdeck winches, windlass
Air Conditioning:	Condaria 180.000 Kcal/h total (refrigeration units) with 2 x Compressor groups 2 x Sea cold water pumps 2 x Chilled/hot water circulating pumps
Ventilators in ER:	2 x Axial type-reversible Gianneschi Type Gell/AP569/1 with Minimum 30 air changes/h
Compressors:	Hydrovane HV02 2.2kW 10 bar
Water Makers:	2 x Idromar each with: 12,000 liters/24hrs capacity and 50 micron sand filters
Water System:	Idromar 10 micron
Activee Carbon Filters:	Idromar 7,000 liters/hour Sterilizing lamp Idromar 7,000 l/hour
Water Boilers:	2 x 400 liters capacity each boiler Circulating pump for boiler G 2 x Wilo Z 30 Electric autoclave pumps G 2 x ACM 312 BT with driver control 400V AC

Toilet System:	Jets vacuum with 2 x 3kW electric pumps @PAGEBREAK@
Sewage Treatment:	Selmar Blue Sea - 7,000 liters/day
Bilge Treatment:	Facet CPS 3.2 E - 700 liters/hour FUEL
Purifying:	Algae-X Smart FPS MX-F
Fuel Centrifuge:	Alfa Laval MAB 103 B24
Fuel Filters:	Racor
Pumps:	2 x ACM 311 BT electric fuel transfer 1 x "Excelsior 2" hand pump fuel transfer 2 x Oil transfer pumps G PQ30 Floatech cooling

Navigation Equipment

Reference Brands:	Furuno, Transas, Sailor
Magnetic Compass	Yes
Gyro Compass	Yes
Electronic Compass	Yes
Automatic Pilot	Yes
Echo Sounder	Yes
Radars:	2 x Black box 96nm Radar / Arpa with 4" antennas interfaced with gyrocompass & AIS 1 x Radar Integrator Board for Chart Overlay on one Plotter
AIS:	AIS (Combined GPS/VHF)
DGPS:	2 x DGPS
Charter Plotter:	2 x Systems Computer
Navtex:	Paperless (WheelMark approved)
Log:	1 x Doppler Speed Log with Transducer 1 x Interface for Log to Wind System
Wind Instruments:	Yes
Adjustable Searchlights:	2 x Main & mizzen mast (Spreaders)
Monitors:	5 x 23" Color flat monitors 2 x 21" Two-color monitors
Monitoring System:	Monitoring system computer to manage 3000 data acquisition points

Sails & Rigging

Sail Plan:	More than 3,000 square meters
Spars:	Carbon fiber spars
Rigging:	Carbo-Link rigging provided by Rondal
Main Mast Material:	Carbon Fibre with 6 pairs of carbon fiber spreaders @PAGEBREAK@
Mizzen Mast Material:	Carbon Fiber with 4 pairs of carbon fiber spreaders 1 x Jumper
Sail Wardrobe:	Laminated sails: Carbon-spectra (North Sails) 3DI
	Sails meet the standard 2 year warranty period
Sail Area Approximately:	
Battened Main Sail:	728 m ² / 7,836 ft ²
Battened Mizzen Sail:	485 m ² / 5,220 ft ²
Reacher:	1,018 m ² / 11,280 ft ²
MPS:	1,606 m ² / 17,286 ft ²
JIB:	590 m ² / 47,587 ft ²
Mizzen Stay Sail:	610m ² /49,202 ft ²
Total of	4,421 m ² / 47,587 ft ² approx.
Boom:	Carbon with electric furling for main & mizzen
Standing Rigging:	Carbon composite (Rondal,
Running Rigging:	By Gleistein, Liros, Gottifredi Maffioli
Captive Reel Winches:	12 x Perini Navi, controlled from flying bridge 2 x Main boom sheets & power feeders 2 x Mizzen boom sheets & power feeders 2 x Jib sheets (blade) 1 x Main sail halyard 1 x Mizzen sail halyard 2 x Reach sheets 2 x Main runners (2:1) 2 x Reacher sheets 2 x Auxilliary winches fore guy runners
Electric Winches:	2 x 3-speed harken 1120 forward deck 2 x 3-speed hydraulic Harken 1150

1 x 3-speed Harken 1120 on flybridge

Communication Equipment

Reference Brands:	Furuno, Sailor, Burnside, Telular Furuno Sailor, McMurdo, Jothron
Satcom:	1 x Fleet Broadband Satcom
Sat TV System:	2 x Sat TVro 40" antenna randomes, with European LNB for USA/Canada; 2 x LNB for Latin America; 1 x Multiswitch 16 outputs @PAGEBREAK@
VHF:	1 x DSC VHF (wheelhouse) 1 x Remote handset (crew mess) 1 x DSC VHF (External) 1 x DSC VHF (Lazarette)
GSM:	1 x GSM interface 900/1800 Mhz
Iridium:	1 x Portable System with docking station
SSB / DSC:	1 x FM / HF (SSB) Complete System with DSC
Loudhailer:	1 x Double horn D-2 Yacht Horn
Telephone System:	VOIP based switchboard with a max of 24 x intercommunicating sockets and 8 x incoming lines 1 x Master (Programming) 24 Key Phone including software for programming 9 x Standard 24Key Phone 9 x Cordless DECT Phone with 9 DECT antennas 1 x Door Phone 1 x Sockets for Fax/Printer Incoming Lines for: 2 x Shore Lines 2 x Satcom Lines 1 x GSM Lines 2 x Spare
Intercom:	Interphone with 2 x control units
Ethernet LAN Network:	Driven by a 24 port Switch Kerio system
WIFI:	Wireless Bridge System (with Antenna on the Mast to pick up WIFI in the marina

MCA (GMDSS): where available
As applicable for GMDSS compliance
2 x EPIRB 406MHz with hydro release

Deck Equipment

Reference Brands: Nautical Structures, Ascheo, Pin Craft, Motomar, Speich, Gallinea

Anchor Windlasses: 2 x Steen vertical axis-type hydraulic foredeck

Anchors: 2 x 780 kg Pool-TW Type certified full balanced

Anchor Chains: 2 x 165m high-tensile strength galvanized steel naval chains (grade U2) 24mm diameter, link stud

Boat Crane: 1 x Aluminum tender launching crane
(MCA compliant) (Nautical Structures, Ascheo)
@PAGEBREAK@

Boarding Ladders: 2 x Automatic hydraulic (Pin Craft, Motomar) w/lights

Stern Gangway: 1 x Telescopic gangway (Pin Craft, Motomar)

Swimming Platform: 1 x At transom with structural stairs, titanium swim ladder & shower / also serves as boarding platform

Awnings: Fly bridge with removable structure
2 x Umbrellas on aft deck

Windshield Wipers: 5 x Spelch, Gallinea, wheelhouse

Watertight Hatches: 1 x For lazarette service area from deck (port)
2 x Forward for winches peak
2 x Forward for technical inspection
3 x For tender garage
1 x For crane
1 x For crew escape
2 x Forward areas for storage
1 x Fwd stbd side for forepeak
1 x Fwd port side for garbage peak
2 x ATU

Entertainment Equipment

Control System: Flat Touch Screen 5' monitor w/Domotic controls

Aft Cockpit:

1 x TV LED 50" VHD

Year to PH Design

Comments

Sybaris represents the epitome of 35 years of sailing yacht design, engineering and
nautical artistry at Perini Navi. She breaks the classical Perini Navi mold and offers a
completely refreshing yachting experience that will thrill all the senses. Her impressive 877
GT 70m Briand optimized hull is one of the most powerful sailing platforms on the planet.
Her completely automated sailing system manages over 3000 sq meters of 3Di North sails
set on twin carbon masts of 72m/62m respectively. The state-of-the-art captive reel
winches custom designed by Perini for Sybaris can pull a load of 35 tones and can achieve
an amazing line speed of 75m a minute.

While the functionality that Sybaris embodies is unique in the mega sailing yacht world,
even more impressive is her interior living spaces which are completely without parallel in
terms of the creativity, boundary breaking design and sheer magnitude. Titanium, teak,
American ash wood and alligator skin are the pallet from which the interior designers
crafted the masterpiece that has captivated anyone who has had good fortune to step

inside Sybaris.

Whether enjoying a sail from the massive flybridge, resting in one of the 6 stunning owner/guest staterooms, or working out in the huge floating gym, Sybaris will captivate and enmesh you in an experience of luxury befitting of her name sake, the Greek settlement in Southern Italy where the ancient Sybarites lived a life of hedonistic excess. Offered for sale only due to the fact that the owner enjoyed the creative experience of building her so much that he would like to do it again!

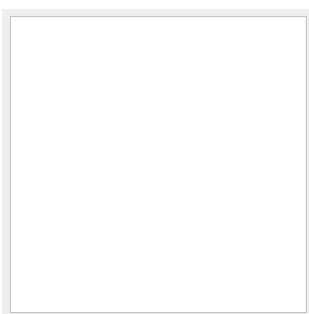

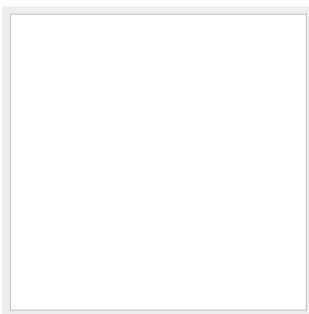

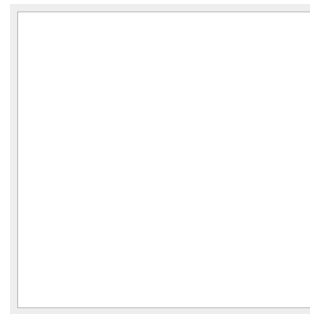

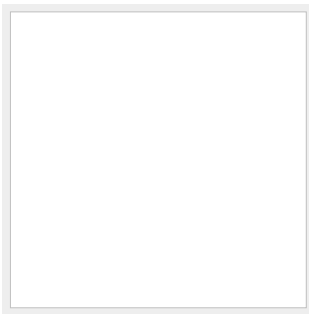

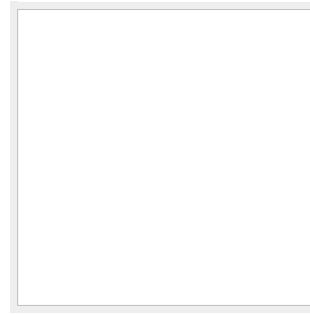

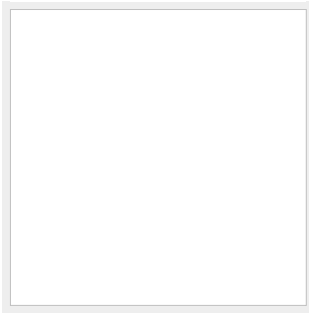

Исключения

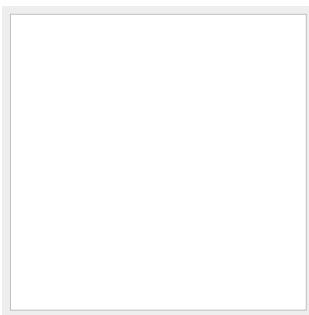

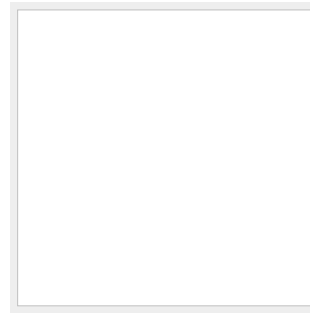

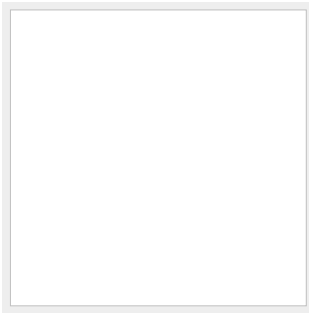

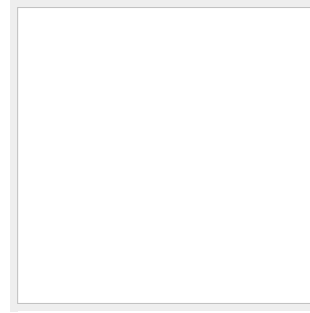

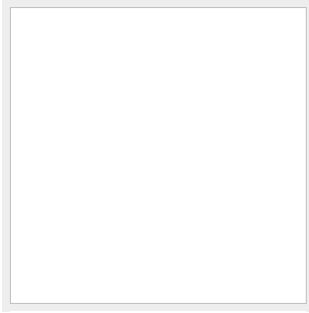

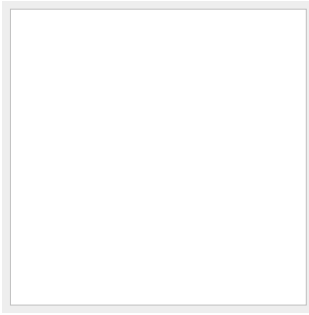

При продаже яхты исключаются личные вещи владельца.
