# DETAILED INFORMATION

---

## VESSEL WALKTHROUGH

---

"Queen Tali" offers owners and guests a roomy interior and expansive exterior entertaining area, especially of this size yacht. Entering the salon through the aft sliding door, there is a comfortable settee to starboard (with a hide-a-bed beneath) and a beautiful high-low coffee table. Aft to port is the electric panel and entertainment center, centerline to port are two matching chairs with storage beneath that are separated by a wood end table with storage beneath. Forward to starboard is a raised curved settee and dinette table that drops to create another comfortable berth. The entire salon sole is covered with carpeting and a carpet runner.

Moving forward and down two steps is the functional galley to port. The galley features wood flooring, Nova Kool refrigerator and freezer, Karadon Mocha-solid surface countertop, two-burner Kenyon stove with cover, Cuisinart convection microwave, stainless sink with cover, and beautiful wood cabinetry and storage drawers.

Forward down the companionway are the two roomy staterooms and unique split head arrangement, head-port side and shower-starboard side. The guest stateroom is aft and down to starboard. This stateroom features a centerline double berth, large hanging locker, and plenty of drawer storage. The master stateroom is forward and features a raised centerline queen berth, Toshiba 19" flat-screen TV, overhead hatch, and private entrances to both the head and separate shower stall.

The cockpit, which is almost entirely shaded by the flybridge overhang, features outdoor carpeting (currently stored), a comfortable bench-style seat at the transom with storage beneath, a large storage locker to port, transom door to the swim platform, and molded steps that lead to the flybridge. These molded steps are hinged, and rise giving easy access to the engine room and lazarette.

The flybridge is quite large for a 40' sport yacht, and extends well over the cockpit providing shade to guests below. The layout is excellent, with a large "L-shaped" lounge and small table aft, centrally located wet bar and Dometic Refrigerator and a bench-style helm seat to port. There is plenty of seating for all guests, and the feel of the bridge is that of a much larger yacht. The yacht's helm is located starboard forward, and features an adjustable pedestal-style helm chair and excellent visibility.

### Key Features

- Two stateroom layout with island berths
- Relaxed, molded staircase to bridge
- Extended bridge with seating for eight
- Stand-up access to engine room
- Ultra-flow Comfort Air System

- Abundant flybridge and cockpit seating
