## Overview

---

This ONE OWNER Shamrock 219 is in very good condition and available for immediate showings. PCM SeaMaxx Marine 5.7/350, high output, 300 hp gas engine with electronic fuel injection provides plenty of horsepower for skiing, tubing and cruising while still maintaining efficiency. Features include a roomy cabin with cushioned V-berth and storage underneath. A forward hatch, portholes starboard and port provide plenty of lighting and a forward hatch accesses the anchor locker in the bow. Also to port is additional shelving for storage. The helm is equipped with a Lowrance LMS 332 GPS/Fishfinder and a full instrument panel. The helm also has a stainless steering wheel and controls as well as a standard magnetic compass. The center cockpit engine cover provides cockpit seating. The cockpit area also has cup holders, rod storage and gunnel rod holders. All cleats are stainless steel. Additional storage and fish box/coolers are located to stern. The Shamrock 219 has a swim platform and stainless steel collapsible ladder to facilitate boarding. Boat has been kept on a boat lift, lightly used. Trailer included. If you are looking for an efficient cruising and family boat for this summer schedule an appointment to see this boat today. Contact Dave Robinson with Curtis Stokes & Assoc. at 410.310.8855 for more details

## DETAILED INFORMATION

---

### Shamrock 219

---

The Shamrock 219 is a comfortable fishing and family vessel. Powered by a 5.7 liter High output gas engine, she is fast and fuel efficient. "Tappa Keg" has had one owner, has been kept on a boat lift and has been used in the brackish waters of the middle Chesapeake Bay. Lightly used, she is in very good condition and is ready to provide the next owner with years of reliable service.

### Engines

---

"Tappa Keg" is powered by a 5.7 liter High Output, 300 horsepower electronic fuel injected engine. The engine is manufactured by PCM, a leader in marine inboard gas engines. When it comes to performance, durability and customer satisfaction, Pleasurecraft Marine Engines is the leader in manufacturing gasoline inboard engines for water sports.

Key Features Electronic Ignition Precision precompressed adjustable mount Vibration isolators for vibration-free performance Instant starting Precise throttle response Knock sensor adjusts for low octane fuel Automatic spark advance provides peak performance under all operating conditions Exclusive Fuel Control Cell - eliminates need for specially modified fuel tank Full pressure full flow filtering system

### Disclaimer

---

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

### Co-brokerage commission split policy

---

All our listings are available for co-brokerage on a 50-50 commission split agreement when the selling broker shows the listing and attends the survey. If the selling broker requires a courtesy showing and we are available to conduct a courtesy showing on our listing, the co-brokerage commission split is 60% listing commission and 40% selling commission. If the selling broker does not attend the survey, the co-brokerage commission split is 70% listing commission and 30% selling commission.

## Exclusions

---

Owner's personal belongings.
