Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Volvo Penta

Model: DPS

Engine Type: Inboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Comitti Venezia 28

Comitti introduced the Venezia 28 in the summer of 2006 as a Limousine for two famous hotels on Lake Como, Italy. The Venezia 28 Runabout in Sport, Classic and Elegance trim was developed and has become the most popular model in the Venezia line. The Classic is particularly well suited for those desiring wood trim in high UV boating locations.

The Venezia 28 is a great handling rough water capable day boat accommodating up to six adults in the main cockpit with a full size sunbed aft and teak boarding steps on the transom. A day cabin with optional electric toilet and cushioned berth provides a new comfort level.

The epoxy sealed Mahogany deck (Elegance) finished with Awlgrip Awlcraft 2000 clear acrylic-urethane topcoat provides many years of maintenance free use. The Venezia 28 Elegance fiberglass hull and wood deck combination create a classic wooden runabout experience with the carefree maintenance of a fiberglass hull. The Classic with Teak decking or Sport with minimal or no wood trim round out the V28 Collection.

Exclusions

Owner's personal belongings.
