ХАРАКТЕРИСТИКИ

Обзор

This is an amazing buying opportunity for someone looking for a luxurious, state of the art 60 Cantius. She is better than new and was barely used with only 86 hours on her. "Pipe Dream II" was specialty ordered and comes fully equipped with Gyro Stabilization, Volvo DPS, Cockpit docking station, full Garmin 17' Glass Dash Electronic package including digital switching for all lights & equipment via a touch screen, SAT TV in every room, Bow Lounge with 3rd stateroom layout, Stidd Dual Helm Chairs and the highly sought after Slate Grey hull option.

She is covered by Cruisers full bow to stern factory warranty until 5/18/18 and also comes with the extended Volvo Penta warranty thru 5/18/21.

Don't miss out on this outstanding vessel and incredible deal, call to schedule an appointment today! She is located at Galati Yachts in Saint Petersburg, FL.

Trades Considered!

Корпус и палуба

Материал корпуса: Fiberglass

Цвет корпуса: Slate Gray

Информация о двигателе

Производитель: Volvo

Модель: D11 IPS 950

Тип двигателя: Inboard

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Vessel Walkthrough

“Pipe Dream II” offers an exceptional layout with the entire upper deck entertainment area in one level, no extra steps to sit down for a dinner inside the salon or to access the spacious aft deck for an evening cocktail. When it’s time to leave the dock, the 360 degree windows that wraps around the helm station makes for an excellent view. A huge storage electronically accessed compartment accessible from the platform at all times makes an ideal location for lines and fenders. The bow entertainment area offers a large sunbed or seating for multiple people protected by the removable sunshade while cruising up and down the intercostal. Having the galley aft makes for a social area offers a great indoor/outdoor location where you have access to your beverages and food at all times. With the salon door fully open and the galley window folded away your salon transitions to a very open layout where you can entertain at multiple areas and still be together.

10 Reasons Why the 60 Cantius is the Smartest Yacht on the Water

1. In terms of performance, the 60 Cantius offers powerful twin Volvo IPS engines, precise handling and improved fuel economy. A cruising speed of 28 mph uses 48 gph, wide open throttle at 40 mph uses 74 gph.
2. Brilliance in technology allows you to use your smart phone with your boat. The 60 brings you the most advanced digital switching, including control from the helm or anywhere with your smart phone. Now that's smart.
3. The foredeck was impeccably designed complete with cocktail seating, tables, chaise lounges and sunshade, each sunset becoming an event.
4. Clever design provides access midship that makes boarding on fixed piers a smooth transition.
5. Dual cockpit entry from either side of the transom is convenient for the captain.
6. The spacious interior opens up to the water through a large, hinged stainless steel salon door and powered rear window.
7. The helm, cockpit, salon and galley are all integrated on a single level on the main deck allowing seamless conversation and incredible fun. Because of this ingenious flow of the interior layout, entertaining is an absolute pleasure.
8. The Captain's chair offers ergonomic support and two Stidd Helm Chairs make the helm complete.
9. Designer features were created exclusively for those who can appreciate them such as,
 - Two-tone real wood interior
 - Salon wood floor
 - Wood bulheads throughout
 - Designer fabrics/materials
 - Power blinds in master stateroom
 - Kohler faucets and shower heads
10. The luxurious master stateroom features a centerline berth and king bed with large

hull windows for the perfect view.
