COMMENTS

This is one of the largest volume yachts in her class and category. She offers five staterooms including a master on the main deck, full walkaround decks, and a tri-deck configuration with a skylounge, separate wheelhouse and a flybridge above. She is a great boat for someone with limited dockage and a big family, or who likes to go cruising with eight friends. Also, ideally suited for charterers looking for a five stateroom yacht which can typically be larger and therefore, more costly.
