SPECIFICATIONS

Overview

This 55 Viking Convertible has a spacious and elegant 3-stateroom, 2-head layout. A custom and state-of-the-art Atlantic Marine Electronics package and Palm Beach Tower were added by Viking's subsidiary companies for quality control and service throughout. Her sleek Stars and Stripes painted hull and twin MAN V-12 1800 CRM Engines will have you arriving in style with a 43-knot top end and a cruising speed of 38 knots.

Other yachts in this 55 Viking's class cannot compete with her speed, comfort, and superior technology. Each upgrade was well thought out and every detail – major or minor – was scrutinized.

This yacht is in superior condition and meticulously maintained by a full time crew.

Owner will consider quality trades
