"Sundowner" sleeps 4 owners and guests in two staterooms. The master is forward with an island queen size boat and en-suite head. The guest stateroom is starboard and has a lower berth. Head access for the guest stateroom is through a private door from the salon. There is plenty of storage with bureau drawers and hanging lockers. The salon has teak and holly floors and very functional galley to port. The cabins and salon have plenty of lights through side port holes and overhead hatches with Oceanair shades and covers. The interior has teak rather than cherry wood and accented beautifully. The upper deck is enclosed with full aft bulkhead and fully air conditioned (24K BTU). The deck is teak and has forward Stidd helm chairs. AT power with Teleflex controls, nice electronics package and wet bar with ice maker all in the upper helm deck area.
