SPECIFICATIONS

Overview

Built by the Dutch Masters at Holland Jachtbouw in 2012, RAINBOW is quite simply, the best of her breed. One of the most recently launched J-Class reproductions, Dykstra Naval Architects developed RAINBOW from the original plans of this 1937 America's Cup winner and smoothed her lines to modern hydrodynamic standards, optimized to the new J-Class Rule. Her engineering and construction created a modern classic, built with "cutting edge" technology, engineering and materials, from her "hybrid" diesel/electric drive and electrical system, to her high modulus spar, carbon rigging and electro-hydraulic sail and boat handling systems.

RAINBOW is a true "dual purpose" yacht, serving equally successfully as a "silver service" charter yacht for up to eight guests, or as a grand prix racing yacht of the highest caliber. In cruising mode, the yacht has all attributes for easy operation; hydraulic sail handling, winches, thrusters, and a simple sail-plan. Her entertaining cockpit dresses for comfortable entertaining, lounging and dining, and her interior offers all amenities for gracious living aboard. For racing, pulpits & lifelines are removed as all deck areas are stripped and streamlined for the efficiencies required at the absolute pinnacle of yacht racing. RAINBOW's record speaks for itself on both counts.

Basic Information

Category: Sloop

Model Year: 2012

Year Built: 2012

Refit Year: 2016

Country: Spain

Cockpit: Yes

Dimensions

LOA: 131' 1" (39.95m)

LWL: 88' 11" (27.10m)

Beam: 20' 11" (6.37m)

Max Draft: 16' 1" (4.90m)

Speed, Capacities and Weight

Cruise Speed: 9 Kts. (10 MPH)

Max Speed: 11 Kts. (13 MPH)

Displacement: 388013.58112 Pounds

Water Capacity: 1056.688208 Gallons

Fuel Capacity: 1585.032312 Gallons

Accommodations

Total Cabins: 3

Total Berths: 8

Sleeps: 8

Crew Cabin: 2

Crew Berths: 6

Crew Sleeps: 6

Hull and Deck Information

Hull Material: Aluminum

Engine Information

Engines: 1
