## Обзор

**FULLY LOADED, CRUISE READY! "Breeze Hunter" is the cleanest, nicest, most well-equipped Hunter 426 Deck Salon model on the market.**

Her owners cruised her for 12 years, during which they added everything imaginable to make her the perfect boat for comfort and performance. She has been kept in like-new condition, with her gelcoat waxed frequently and her interior and exterior cleaned regularly. She has all the extras--a generator, watermaker, 2 AC units, solar panels, wind generator, in-mast furling, and the list goes on!

You could step aboard "Breeze Hunter" and set sail today, without ever looking back! She has everything you'd possibly need!

## Accommodations

This boat was built to be enjoyed! From the moment you step out of the spacious cockpit and into the salon, you are invited into another realm of comfort and sophistication. The galley to port features a double stainless steel sink, large amounts of storage, a built-in spice rack, a gimbaled stove and oven, refrigerator and freezer, and a great deal of counter space.

To starboard, the master head has a deep shower, which could also be used as a soaking tub or a tub for a child. Two doors lend privacy so that the head can be entered from the aft cabin.

The aft cabin features a sit-down vanity, a built-in book case, a large seating area, and a queen-sized bed with custom fitted bedding. Opening portholes let in a cool breeze, or the room can be cooled or heated by a 10,000 BTU AC unit.

The salon is heated and cooled by a 16,000 BTU AC unit, and offers comfortable seating for 8 people. The navigation station is large and comfortable as well, and serves as a great office/computer desk. All the upholstery is in excellent condition, and there is not a single scratch on the woodwork!

The forward head also features a stall shower, and lends privacy to whomever is staying in the double v-berth in the forward cabin. Both cabins have cedar-lined hanging lockers and a large amount of storage.

Live and cruise in ultimate comfort!
