Remarks

By far one of the most well known boat builders of its time Buddy Davis! This boat is arguably one of the best sea boats ever built to date. A solid composite hull with plenty of flair and still maintain all of your interior space. This boat is only on its 2nd owner who has currently owned the boat for the last 10 years. She recently had both of her Detroit 1292 Overhauled and have less than 100 hours on each. A 4 stateroom and 3 head layout make this boat a perfect size for a live aboard or making extended length trips. You can jump on this boat and leave tomorrow for the Bahamas or wherever your travels may take you.

Exclusions

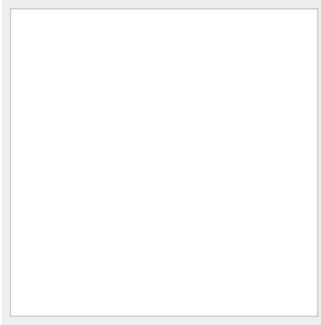

Owner's personal belongings.
