Overview

This beautiful classic yacht has been brought back to life after a 5 year refit completed in late 2014.

No expense was spared to bring this beautiful yacht back to its splendor.

ALL SYSTEMS were replaced. New plumbing throughout, New wiring throughout, New generator, New appliances, New Yanmar engine in 2014, etc. etc.

The only thing missing is your selection of today's latest electronics for the helm.

But these are just the technical details. It's the charm and warmth of the interior that will comfort you at anchor. It's the excitement of a performance cruising yacht that will bring smiles to everyone's face.

CHISMOSA can be seen at the Waterways Marina in Aventura, 20 minutes south of Fort Lauderdale. DYSID:2862568
