SPECIFICATIONS

Overview

This was a fresh water boat until recently and it shows!

- Larger upgraded Volvos
- Underwater Lights
- Only 400 Hours
- Many more custom touches!

The strong Voyager tradition continues in the remarkable 52 Voyager. True to its name, the 52 features maximized accommodations for onboard liveability, entertaining, and extended offshore cruising, while the pilothouse layout assures comfortable cruising in fair or foul weather. An exceptional floor plan accommodates six adults, whether entertaining, dining, or providing overnight accommodations. The large and stylish salon is enhanced with curved windows for optimum views and is located on the same level as the galley - perfect for entertaining. Thanks to vertical hull portholes, there's also abundant natural light in the master stateroom. All of the standard equipment you would expect on a luxury yacht is here, full electronics, air conditioned bridge, custom Marquipt boarding ladder, and luxurious accommodations.
