

OCEAN ALEXANDER 85E15 — OCEAN ALEXANDER

Builder: OCEAN ALEXANDER

Year Built: 2017

Model: Motor Yacht

Price: PRICE ON APPLICATION

Location: United States

LOA: 85' 0" (25.91m)

Beam: 20' 1" (6.12m)

Min Draft: 5' 4" (1.63m)

Max Draft: 5' 11" (1.80m)

Our experienced yacht broker, Andrey Shestakov, will help you choose and buy a yacht that best suits your needs **Ocean Alexander 85E15 — OCEAN ALEXANDER** from our catalogue. Presently, at **Shestakov Yacht Sales Inc.**, we have a wide variety of yachts available on our sale's list. We also work in close contact with all the big **yacht manufacturers** from all over the world.

If you would like to buy a yacht **Ocean Alexander 85E15 — OCEAN ALEXANDER** or would like help answering any questions concerning purchasing, selling or chartering a yacht, please call **+1(954)274-4435**

SPECIFICATIONS

Basic Information

Category: Motor Yacht

Sub Category: Open Yacht

Model Year: 2017

Year Built: 2017

Country: United States

Dimensions

LOA: 85' 0" (25.91m)

LWL: 72' 4" (22.05m)

Beam: 20' 1" (6.12m)

Min Draft: 5' 4" (1.63m)

Max Draft: 5' 11" (1.80m)

MFG Length: 85' 9" (26.14m)

Speed, Capacities and Weight

Displacement: 167551 Pounds

Water Capacity: 350 Gallons

Holding Tank: 200 Gallons

Fuel Capacity: 2800 Gallons

Accommodations

Total Cabins: 4

Sleeps: 8

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Semi-Displacement

Engine Information

Engines: 2

Manufacturer: MTU

Model: 12V2000 M96

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

CONSTRUCTION

GENERAL:

- Ocean Alexander employs various techniques to reduce sound and vibration. Focusing on providing a quiet and comfortable yachting environment through various proprietary techniques of controlling sound and noise transmission. Some of these techniques include, multiple insulation barriers including reflective materials, absorptive materials, dampening materials, air pockets and flexible and isolation mounts. Ultimately resulting in vibration/ sounds levels that are industry leading and attimes 1/2 to 1/10 of ISO-6954 requirements (Unique OA feature)
- Longitudinal and lateral fiberglass stringers filled with high density foam
- All exterior hardware to be S/S 316 or to manufacturer requirements
- Fiberglass with infusion lamination manufacturing technology
- Frameless window
- Vinylester resin with high-density structural foam. High density allows for high temperature resistivity and particular advantage in thermal and acoustic insulation. (Usually only found in vessels 100'+)
- Reinforced collision bulkhead
- Weather-tight bulkheads with further sound and temperature insulation
- Painted exterior surface with professional grade Alexseal polyurethane paint and epoxy based primers. Highest gloss and color retention compared with gelcoat or other paint brands. Guarantee color match by Alexseal. No fading, yellowing and minimum maintenance with no annual compounded necessary on exterior paint. For first 3 years just just soap and water (Unique OA standard feature, not an optional upcharge like competitors).
- Marine grade aluminum beams for floors, walls and ceiling. Provides greater rigidity and monolithic structure. Reduces movements and “abrasive” sounds while underway. Also allows for one of the largest uninterrupted glass/window spans in the industry. (Unique OA feature)
- Use of cross-knit directional carbon fiber in high stress area for added structural integrity and torsional strength
- Fiberglass staircase from cockpit to FB w/teak steps

HULL / BOTTOM:

- Black boot top stripe
- Interior structural components all bonded to hull
- Three coats of Seahawk primer, hi-build epoxy barrier coat and covered with three coats of Seahawk self-polishing bottom paint (Unique OA feature, optional on competitors)
- Bronze through-hull fittings

MECHANICAL

MAIN ENGINES:

- MTU® 12V2000M96 19200HP engine includes 24 month warranty
- Two control stations: FB & PH, with complete engine instrumentation with lighted, modern switches.
- Delta-T Intake/ exhaust fans with demister to eliminate moisture from the intake air flow to keep machinery spaces dry.
- Manually controlled adjustable/reversible Delta-T® fans for engine exhaust located on superstructure instead of hull side. Maximizes water protection and salt spray, resulting in safer and lower maintenance ownership (Unique OA feature)
- SidePower hydraulic stabilizer w/zero speed system with power take-off from both engines to provide redundancy (Unique OA feature)
- Engine hour meter
- Electric engine control
- Engine alarm system (oil and temperature)
- Complete engine instrumentation, two stations
- S/S rail on side of engine
- Wet exhaust and including water temperature, oil pressure, hour meter and start/stop controls in engine room and remote start/stop controls in the pilot house
- Dripless engine shaft seal logs
- Dripless seal for rudder post
- Ocean Alexander employs aerospace grade “autoclave” to make “hard coat” exhaust with Al6XN alloys (used in Saturn V rocket nozzle). Ocean Alexander is unique in utilizing Military standards that ensures optimum and sustained performance in its exhaust system.

GENERATORS:

- Onan® 29 KW genset includes 2-year warranty (2x)
- Generator exhausts to be water-drop type per “Centek”, “Marine Exhaust Co.” or equal. Reduces noise & vibration
- Generator set resiliently mounted and installed with sound shield & vibration dampener (Unique OA feature)
- Generators with gas/ water separator

WINDLASS / MOORING:

- Hydraulic windlass, VWCLP4000
- Stainless steel plow type anchor 125 lbs w/ 300ft anchor chain (3/8" HT) & chain stopper
- Chain counter
- Two vertical electric rope winches for Aft Deck (Standard versus

competitors' optional)

- Hands-free anchor chain wash system – allows for cleaning of chain during anchor operation (Unique OA feature)

STEERING / CONTROL:

- Hydraulic steering system
- S/S rudders
- Bronze struts w/ cutlass bearing
- High performance, computer-designed and machined propellers
- Zincs on rudders, shafts
- Interior steering wheel Ultraleather inlay, exterior stainless steering wheel on FB
- Stidd® Mechanical helm chair in PH x2 (color: Fudge)
- Two Stidd® Mechanical helm seats in FB (color: Polar)
- Propeller shaft Aqua 22HS. 22HS is a high-grade austenitic alloy stainless steel that provides superior corrosion resistance (comparable to Aqua 22) along with excellent toughness and high strength (comparable with Aqua 17). A no compromised approach adopted by the navies around the world

OTHER:

- Stainless steel rails on side of engine and stainless steel engine mounting plates (Unique Ocean Alexander engineering affords industry leading torsional rigidity and engine alignment assurance. Further reducing vibration and high torque pressures)
- Steelhead ES1750 hydraulic davit
- Fire extinguisher system with engine-shutdown feature
- Oil change system for both engines and genset
- All engine room and bilge spaces shall be primed and top coated with polyurethane paint system
- Heavy-duty commercial grade pantograph windshield wipers & washers w/ intermittent function
- Color-coded piping for fuel, water and hydraulic system
- Heavy-duty Kahlenberg® air horn
- Aluminum diamond plate flooring in engine room
- Detailed stringers in engine room and lazarette
- Ocean Alexander proprietary “dry bilge ventilation system” with dedicated bilge exhaust to outside. This provides constant airflow to keep the bilges dry and mildew free. Any moisture from condensation is evacuated outside the yacht to keep a clean and healthy cruising environment.
- Ocean Alexander design in oversized shafts, rudder and other drive train systems typically one-class larger than competition. Superior handling, longevity is ensured with Ocean Alexander drive-train systems.

PLUMBING

FRESH WATER SYSTEMS:

- Headhunter pressure fresh-water system
- 2mm thickness 316 S/S water tank w/ sight gauge
- Fresh water wash down, at bow & stern & boat deck
- Dockside water connection
- Two 40-gallon water heater with high density fiberglass insulation w/ dual high efficiency heating element that speeds heating by 50%
- Sea Recovery 900gals/day water maker
- Seagull™ water purifier

FUEL SYSTEM:

- 4.5mm thickness 5052 Aluminum fuel tanks with sight gauges and tested to International Standards 33CFR 510(a) w/ high and low fuel level alarm system
- Dual Racor® fuel/water separator with Y-valves for engine & generator
- Filler for fuel tanks on both sides. (Unlike others where fueling is only possible on 1 side. This unique OA feature allows for concurrent and faster fueling & negates need to move boat to complete fueling)
- Fuel system with venting and “catchment system” designed for burps or overflow accidents (Unique OA feature. Often ignored by competitors which can lead to high fines and insurance cancellation)
- Gulfcoast™ fuel polishing system

BILGE / DISCHARGE

- Common drainage system for bar sink, shower, bilge & exterior deck
- Bilge pump in forward and aft of engine room
- Automatic bilge pump - The vessel shall be outfitted with automatic bilge pump with manual and automatic switches in each space as divided by weather-tight bulkheads. High water alarms will be mounted in each of these bilge zones
- 24V shower sump pumps
- Dry bilge area arrangement in center of engine room
- Lighted bilge with built-in (when necessary) S/S ladder (Unique OA Feature)
- Ecomar™ waste treatment system (600gals/Day)

ELECTRICAL BATTERY:

- Heavy-duty batteries
- 100 AMP Charger
- Battery paralleling system with control switch
- Service battery switch
- Engine battery isolation switches
- AGM Batteries with 40F to 140F operating temp and industry leading low self-discharge rates 1 to 3%

AC/DC SYSTEM:

- AC outlets throughout
- All primary AC & DC electrical wiring is appropriately labeled throughout the yacht
- GFI (110V) AC outlet in potential “wet” areas. In addition, entire boat is protected via “GFI at source” Octoplex protection at select areas GFIC AND entire boat GFIC protection)
- 24 Volt system
- Engine battery isolation switches
- Octoplex NMEA 2000 Monitor R electrical control system. Based on aerospace technology for remote activation, control and status reporting of all AC and DC breakers. Monitors all power sources (AC and DC) for voltage, frequency and amperage abnormalities and provide visual and audio alerts. Includes enhanced circuit breaker functionality with no-load indication, dimming and usage information with touch screen monitor that is user auto load shedding is included where operator designated equipment (e.g. navigation and other essential systems) remains powered-on while automatically switching other systems off. Octoplex NMEA 2000 Vessel system monitor and battery monitoring of current, voltage and temp. (Unique OA standard feature, not an optional uncharge like competitors)
- Shore power receptacle with Iso-Boost 100+50 AMP in transom with cable master (OA is unique in making this a standard vs. optional. Cleans & boosts questionable shore power to better protect sensitive equipment onboard.)

AIR CONDITIONING:

- Dometic® air purification systems throughout, rated for “Extreme Tropical Climates” (with reverse cycle for operation down to 40°F water temp)
- Refrigerant type is accepted worldwide under the Montreal Protocols
- Where possible A/C exits from custom made ceiling panels hidden from view. Shortens A/C ducting thus improving efficiency and speed of cooling by over 20%. Also reduces dB reading by over 7 dB (Design cues from 135)
- Air-conditioning rated for Extreme Tropical climates

NAVIGATION PACKAGE:

- Garmin 8600 Series Black Box with 24” Touch screen (Two screens lower station, Two screens upper station)
- Garmin GRID remote input device installed on helm chair
- Garmin 25KW Open Array Radar
- Garmin Autopilot GHC20
- Garmin VHF and Card Reader

- Garmin Blackbox sounder
- Garmin AIS with NMEA GPS
- Garmin Marine Camera (2 in engine room and 1 aft deck)
- Triband HD7 with DIRECTTV® receivers
- Ritchie Compass 5"
- iPad with built-in Garmin App for navigational control/viewing via iPad
- Navigational electronics standard versus optional with competitors

N2KVIEW SAFETY & SECURITY MONITORING PKG:

- These security/safety automatic monitoring and alert abilities include using Apple iPad or Android for wireless access to operate, view, and alarm Octoplex data and navigation system with a fully customizable screen layout, and remote notification (cell phone) capability.
- These monitoring abilities include: Main Engines and Generators, AC Monitoring, DC House Bank Battery Monitoring, Engine Room Weather-tight Bulkhead Doors, Tank Levels, Fire System, Bilge Level (High-water), Exterior Door Sensors Unique OA standard feature, not an optional uncharge like competitors

LIGHTING:

- 24V LED lights (Aerospace quality, specially tuned color temperature for Ocean Alexander) with scene programmable lighting with dimming function built-in (Std. on Ocean Alexander, Optional on others)
- Convenient lights
- International navigation lights

BONDING SYSTEM:

- Bonding system throughout Iso-Boost on 50 AMP and 100 AMP Shorepower
- The vessel's bonding and grounding systems shall include Iso-Boost Package for both shorepowers. ISO boosting copper straps secured to the hull and running the full isolates and boosts the boat's AC electrical system against length of the vessel parallel to centerline. Engines, potentially dangerous shore power fluctuations. Eliminates generators, metallic through hulls, strainers, and pump needs for polarity alarm and galvanic isolators. (Standard bodies shall be connected to the bonding strap using 8 AWG versus optional with competitors) wire minimum or equivalent
- Smart Y-adaptor

ACCOMMODATIONS/INTERIORS, AUDIO/VIDEO

SALON:

- LED 50" TV with A/V System with subwoofer
- Phantom screen (for insects + pollen protection) with dedicated wood box for door
- Evan K Marshall custom design salon furniture and sofa. Sofa includes concealed drawers for intelligence use of space and increase storage
- Custom-designed salon table
- 14" Sunpentown wine cooler inside cabinet
- Wood paneling and cabinetry in diamond wood grain pattern (where possible)
- Granite countertop at wet-bar and TV cabinet
- Enlarged windows in salon with custom engineered solution incorporation marine grade aluminum beams allowing for industry leading window expanse. Incorporate (where possible) A/C outlet from ceiling, provides unobstructed view to outside (Design cues from 135, improved for 2016)
- Electrical shades with remote for Salon, Dining and master windows

MASTER STATEROOM:

- LED 40" TV with A/V System
- One Sub-woofer
- King-sized berth (with independently coiled his & her sections to ensure minimal transfer of movement)
- Two nightstands with countertop
- Fusion granite countertop at TV cabinet and port/STBD cabinets
- Built-in vanity on starboard side
- Bureau with chest drawers in lieu of sofa on port side
- Safe in hanging locker
- Enlarged windows with custom engineered solution incorporating aluminum beams and "sandwiched glass" construction technique from classed vessels. Allows of 28% greater visibility and incoming light
- Full-height, cedar-lined hanging lockers with automatic lighting
- Enlarged Master bathroom window with updated cabinetry to take advantage of additional 320% additional window visibility vs. previous port light
- Dual-sink head with shower and dimmable LED vanity mirror

GUEST STATEROOM / VIP:

- Queen-sized berth
- Single/double lower berths, fabric covered (Port guest stateroom)
- Dressing mirror
- LED 24" TV & DVD with Satellite Receiver
- Cedar-lined hanging lockers with automatic lighting
- Head with stall shower

CREW QUARTERS:

- Largest crew quarters in its class with Ocean Alexander's unique design, the crew quarters doubles as a Cabana. Allows for day head and rest/eat area for swimming/out of water activities without needing to access salon/main deck interiors.
- Cedar-lined hanging locker with automatic lighting
- Kitchenette (sink, microwave and refrigerator/icemaker)
- Storage locker
- Drawers under bunk
- Microwave Oven
- LED 32" TV & DVD with Satellite Receiver
- Snap-on tool chest under work bench/Pullman berth
- Lazarette space increased by 28% via opening up space under aft decking seating for additional storage. Shelf and sea-rails included.
- Amtico flooring
- Additional washer/dryer in crew

HEADS:

- Wood walls & cabinets with Granite or Marble countertops
- China sink
- Planus™ toilet system throughout with unique Ocean Alexander proprietary "Toilet lock out" system. Provides "lock out" of flushing when holding tank is full. Prevents accidental spillage or "blow back" often found on competitor yachts. Tankage status and alarm is standard via N2KView monitoring system.
- Seamless fiberglass stall shower w/ one-piece glass door. Industry leading seamless one-piece shower stall design provides long term protection against moisture, water intrusion behind the shower (Unique OA feature)
- Shower door shall use "crystal clear" glass custom made for Ocean Alexander. Providing superior transparency and Alexander "minimalist and transparent water strips" provides a unique Ocean Alexander proprietary "Crystal Shower"
- Grohe™ faucets for sink and shower
- Custom bathroom hardware
- Custom bathroom fixtures
- Air extraction in each head shall be by low noise extraction fans, switched separately from lights
- Granite flooring
- Heated granite floors in master bathroom

GALLEY:

- New galley layout with cabinetry storage under stairs
- Gray Marron Emperador granite countertops
- Wood panel and cabinetry with positive-latch doors or proprietary drop-lock drawers. Provides containment of stored objects while underway (Std. feature)

often ignore by competitor)

- Perspicus Lux Lucis granite flooring
- Storage cabinets
- Elkay™ Double sinks with pull out faucet
- Overhead dish locker forward
- Overhang cabinet in galley
- Whirlpool™ garbage disposal
- 36" Jenn-Air™ Refrigerator
- 30" Jenn-Air Over-the Range Microwave
- 30" Jenn-Air™ electric cook top
- 30" Jenn-Air™ electric oven
- 15" Whirlpool™ trash compactor
- Jenn-Air™ dishwasher
- Custom S/S potholder for cook-top

INTERIOR DÉCOR:

- Wood paneling and cabinetry in diamond wood grain pattern (where possible)
- Interior ceiling panels removable and finished with Diamond faceted edging. Provides a sharper and structured tailored look. (Design cues from 135)
- Evan Marshall designed interior pilot station and display display pod. Ergonomically designed and laid out to enhance pilot experience/performance. (Design cues from 135)
- Windshield defrosters
- Weather-tight doors to side deck
- Phantom screen (for insects + pollen protection) with dedicated wood box for door
- Dedicated freezer forward of Dinette (Increase food storage for extended cruising ability)
- Pantograph doors in Pilothouse
- Ocean Alexander Fresh Air system: with filtered fresh air drawn from outside and vented to lower staterooms for constant fresh, clean air. Makes for a clean and healthy environment that reduces free radicals and increase oxygen Carbon monoxide and smoke detectors
- Air extraction in each head shall be by low noise extraction fans, switched separately from lights
- Opening (in glass port light) for MSR Bath, MSR, Guest
- Designer pull handles for drawers & cupboards
- Satin varnish for interior finish
- Fabric covered walls for lower walkway walls
- Concealed hinges throughout interior cabinets
- Hanging lockers with dual-locking mechanism
- Washer/ dryer (Commercial quality, Energy star washer/dryer)
- Concealed Chest Freezer in front of Dinette

- \$50,000 décor allowance for carpet, sofa, bed spreads, curtain fabrics, and soft goods
- S/S hardware
- Flip-up additional storage fwd of dinette/under windshield
- USB power plug at lower helm and inside MSR nightstand
- Dedicated oversized drawer for golf club/sport rackets/bulky items storage under fwd stateroom berth
- Custom granite and S/S accent floor in foyer to MSR (Inspired by OA 135)
- Ocean Alexander wood floor is custom made in Kentucky with solid wood top surface with the same wear capacity as solid ¾" wood flooring. It uses 9 layers of European birch assembled in a cross-grain direction with a top layer of exotic hardwood to match the interior of the boat. (Unique Ocean Alexander Feature)

EXTERIOR:

- Hardtop with dedicated custom S/S ladder to navigational electronics (Standard versus optional with competitors)
- Removable ceiling panels on hardtop and main deck for ease of service.
- 2" elliptical 316L Stainless steel handrails on main deck, 1 1/2" on FB. Elliptical conforms better to human grip than traditional round rails. Provides greater "grip strength" for safety and comfort (Unique OA feature)
- S/S anchor roller
- Fiberglass staircase from cockpit to FB
- Wet bar with sink, bar refrigerator-icemaker on FB or Aft Deck
- FB seat w/ storage underneath and high gloss table
- Teak deck for aft deck and walkway to midship
- Teak swim platform w/ teak steps
- Elec. S/S door to Aft Deck with safety light curtain that senses obstruction and protect for grandkids/pets. Also includes "foot-kick button" control for operation when both hands with full food trays/other items.
- Largest flybridge area in its class with Ocean Alexander's "cab-fwd" design, the flybridge steering station is moved fwd to allow for better visibility and lengths the total flybridge area available for entertaining.
- Stainless steel bow and stern staffs
- Lighted OA logo
- Aft Deck shower, dockside water inlet
- Four U-shaped rails on swim step
- Boat deck sliding hatch
- Side boarding gates at Aft Deck
- Recessed boarding ladder on starboard gunnel with OA logo teak steps (Unique Ocean Alexander standard feature. Competitors either optional or not available)
- Sunpad on fwd deck
- Custom exterior canvas and windshield mesh covers (Standard versus optional with competitors)

- Fly bridge deck outboard storage increased by 54% via additional storage lockers on port and starboard where possible
- Anchor chute cover for added safety while anchor is not in use and increases usable surface area (Unique OA feature)
- Custom designed fender storage in lazarette
- Fly bridge air condition 24000BTU
- Add plug-in engine wired remote at aft deck and fly bridge
- Aft deck custom ceiling feature
- Manual awing for fly bridge with custom-made S/S poles and marine grade exterior “Batyline Crème” Ferrari mash fabric
- S/S transom gates for pets/children protection
- High output LED under water lights (four at transom, two on each side at master)
- ACR search light
- Compressed air in engine room and lazaret
- Spreader lights for swim step and FB deck
- 24” Electri -Chef ™ electric barbecue in fly bridge deck
- Pre-plumbing and pre-wiring for Jacuzzi on boat deck
- Flip down 32’ TV with Satellite receiver w/ additional exterior speakers for full stereo effect on aft deck.

TURN KEY:

- Full fuel tanks upon initial delivery
- Safety first aid kit
- Fenders, lines, flare kit, throw ring, fire extinguishers, bell
- Spare Parts package (Spare: Bilge pump, LED light, Pencil Zinc, Engine/ Generator filter, Wiper blades, Touch up paint, Fuses, Engine manuf. Spare parts kit, Generator manuf. spare parts kit, Breakers, Sump pump box, Float switch, Hydraulic gas-strut, Vimar outlet, GFI outlet, Vimar switch, Wood veneer)
- Wheel Puller for ship propellers
- Chocks
- 10-man life raft in valise bag
- 2sets of bed linens on all berths with pillows and towels
- Dinner china including dinner/salad/dessert plates, soup bowls, tea cup and saucers, casserole dish, salt & pepper shakers
- Flatware including steak knife, dinner knife, fork, spoon and dessert/teaspoon, salad forks, serving spoons & fork Table placemats, napkins, Water/white/red/champagne wine glasses
- Galley cookware/pans
- Toaster, electric mixer, measuring cup, rubber/metal/plastic spatulas, mixing bowls, chef knives, cutting boards, coffee machine, iron

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.
