Total Berths: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Manufacturer: Yanmar

Model: 6LPA-STP

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walk Through

This 370 has been cared for and it shows. The current owner has made a consistent effort to maintain and update this yacht so she is always ready to cruise. Mechanically and cosmetically you will not find a cleaner boat!

The 370 features a single forward stateroom, with an aft sofa that converts to a mid cabin berth. A full head with separate enclosed shower is another notable interior feature that sets the 370 apart from the other yachts in this size class.

With twin Yanmar Diesels and a bow thruster this yacht is incredibly easy to maneuver and exceptionally efficient to cruise. When it comes time to walk out on the bow, whether docking, or enjoying the forward lounge, the walk through windshield makes it easier and safer than ever before.

This 370 should definitely be on the short list because of the consistent updates and care from knowledgeable owners.
