DETAILED INFORMATION

Description

This Boston Whaler was built in the Commercial Division and started its life as a Virginia Dept. of Game and Inland Fisheries as a Patrol boat. The current owner after purchase sent the boat back to the commercial division factory for restoration. 2012 Evinrude Etec has less than 100 hours and has been using the XD-100 Synthetic oil since in service. Hydraulic steering, Garmin Chartplotter with Radar, VHF, Spotlight, and Clarion Stereo were added making this a well equipped boat for its size. Boat has Bennett trim tabs and is one of the best riding Justice 19's on the water due to her heavier build. A must see and is located on the owners lift at the Gloucester Point location.
