DETAILED INFORMATION

Accommodations

This 42 foot Motion Center Console is configured with a twin stateroom layout including a forward berth (sleeps 2+) as well as a midship berth (sleeps 2). The staterooms and main Cabin feature LED lighting, Airconditioning and teak flooring just to name a few items. The custom six post tower & helm seating were designed and installed by one of the best, Pipe Welders, and were made with the strongest and lightest metals available. Therefore the top and seating are not only gorgeous, but extremely durable.

The control station layout was configured with ease in mind and is backed by an appealing carbon fiber background. She features a full Garmin display, Mercury Vessel View command centers and digital fly-by-wire mercury throttles. Everything was designed with simplicity and elegance in mind with muted colors and luxury down to the last detail.
