### M/Y ELINOR

#### Sanlorenzo SD 122' - 2009 / 2017

ELINOR successfully completed her 10-year Classification survey in April 2019 and her current

owner has invested € 500,000 in her latest refit phase this winter.

Elinor has been designed to comfortably accommodate up to 10 guests overnight in 5 cabins, comprising an Owner's suite, 2 VIP cabins, and two convertible single cabins with Pullmans. She is also capable of carrying up to 7 crew onboard to ensure a relaxed luxury yacht experience. Owner's suite is full beam and located on the main deck with the main saloon whereas the other guest cabins are on the lower deck.

Her modern interiors feature marble lighting wall, special fabric found in luxury 5-star hotels, grey wooden sole and cozy Scandinavian furnishings, with leather inlays additionally adorning furniture.
