## Overview

---

The sporty 41 Cantius offers novel features and amenities that create the perfect atmosphere for entertaining and bringing nature's beauty into your salon. It's all the result of the 41's much-lauded open-concept layout, which invites everyone to participate in the experience and stay connected. Say goodbye to the hassles of canvas while utilizing one of the best cockpit layouts you will ever find. Volvo Penta 450 IPS engines with joystick maneuvering ensure extremely efficient fuel economy and responsive easy handling around any dock. The spacious cockpit features L-shaped seating for 6, a grill, two removable bar stools, and easy access into an airy upper salon with 40,000 BTU AC & Heat through a 54" walk-through patio door. Step down below through an atrium style stairway to a functional galley with stainless steel appliances. The forward stateroom offers a queen island berth, plenty of storage, and 6'9" of headroom. The midship guest stateroom features split bunk accommodations which can be converted to a queen berth, and its own private head with separate vanity. With spacious entertaining areas, a full glass enclosure and unprecedented sightlines, the 41 expands your experience beyond the horizon.
