Model Description

This stunning member of Bayliner's revamped Deck Boat family comes powered with a reliable, watersports-friendly Mercury sterndrive, which offers an impressive holeshot even when the 215 has hit its (also impressive) people capacity of 12. Choose between the standard helm windscreen or an optional wraparound windshield, providing additional wind protection in the cockpit.

The helm boasts an all-new dash design with upgraded easy-to-read instrumentation and a sport steering wheel. Easy-to-reach grab handles and cup holders amplify comfort and safety in the spacious bow seating area, while a roomy in-floor locker accommodates skis, water toys and other gear, keeping the cockpit clutter-free. Additional under-seat storage can be partitioned based on your needs. And a portside storage bulkhead, which doubles as a changing area, can be upgraded to serve as optional day head.
