SPECIFICATIONS

Overview

Owner says SELL "AS IS" at \$25,500.

It is powered by twin 320hp Marine Power TBI inboard engines. The engines are fresh water cooled. The swim platform leads into the nice deep cockpit by way of a folding set of steps. This makes the cockpit makes great place for younger cruisers or dog, because of the tall freeboard. This space is partially covered by the flying bridge deck from above and there is a full enclosure for the cockpit, making this an awesome cold season space. The fresh water cooled Kohler generator is located beneath the cockpit deck and has a full soundshield for whisper-quiet operation. The Salon is accessed by a sliding glass door and has generous space for a couch, chair and entertainment center. The headroom in the salon is 6'5". The galley is a step down to port and a convertible dinette/bunk is to starboard. The enclosed head with a separate stand-up shower is forward. A bunkroom is on the port side. The master stateroom is forward on the boat and features a very large bed. The flying bridge is reached by a set of molded steps, not an open ladder-type of climb. The bridge features 2 pedestal seats, plus a large L-shaped lounge seat suitable for 5 adults. The electronics include an autopilot, color depth finder, color GPS/Plotter, VHF Radio and AM/FM/CD Stereo. The bridge enclosure is in good shape.

DETAILED INFORMATION

Accommodations

The master stateroom is located forward of the of the main cabin. It has it's own privacy door, plenty of storage space for clothes, etc. and it own heating/AC zone. There is also a private doorway into the head from the Master Stateroom. There is an overhead hatch that provides natural light and fresh air when desired. The bunk room has an over and under bunk bed type of arrangement. There is a privacy door for this room

The head features a nice vanity and counter space, sink, ample cabinet space, Par Electric toilet with a tank-watch monitor. The stand-up shower has a shower curtain and clear acrylic wall that separates the shower from the rest of the head. There is also sleeping space for 2 adults on the convertible dinette. There is also a sleeper sofa in the Salon.

Galley

The galley is nice and open with modern Appliances. With a Great-room type of feel, the galley and dinette are connected to the rest of the salon, but on a step down level that gives a more spacious arrangement. The Norcold refrigerator/freezer operates on both AC or DC power. There are lots of cabinets for galley storage and ample counterspace for preparing meals onboard.

- Norcold AC/DC refrigerator/freezer
- Kenyon 2 burner electric stove
- Panasonic Dimension 4 convection Microwave oven
- Toaster oven
- Mr. Coffee coffee maker

Flybridge & Electronics

The flying bridge is quite spacious with 2 pedestal seats plus an L-shaped lounge seat large enough for 5 to 6 adults. The canvas top and full eisenglass enclosure is new this year and in perfect condition. You and your passengers will love the clean unobstructed view from this spot. Top of the line electronics make long passages a simple pleasure.

- Furuno 7" color Depth/Fish finder
- Garmin 2006c color GPS/Chartplotter
- Raytheon ST5000+ Autopilot
- Bennett Trim Tabs

- Standard Horizon Nova VHF Radio
- Auto Helm digital Speed/Depth/Trip meter
- B & G Network Engine Monitor w/ Fuel Mgmt.

AM/FM/CD stereo flybridge entertainment

Electrical

Shore power is supplied by two 30 amp shore power cords. There is a complete 110 volt switch and breaker system. The generator is a fresh water cooled Kohler in a full soundshield. The generator has its own starting battery and is easily accessed by a hatch in the cockpit floor. 12 volt power is supplied by dual batteries that are normally charged by the engine alternators and by the on-board battery charger. There are individual battery switches as well. There is a complete 12v switch and breaker system.

Entertainment

The wide open feel of the salon, galley and dinette, plus the sliding glass door to the cockpit make this the Perfect boat for entertaining. In the cold months, put up the cockpit enclosure and you have access to this space and can also climb up to the bridge, all without ever going outside. The salon entertainment center features a TV, stereo, DirecTV receiver (dish not included), plus a DVD/VCR player.

- Panasonic 13" color TV
- Philips DirecTV receiver
- Sylvania VCR/DVD player
- Technics AM/FM stereo
- Philips TV/VCR combo (bunk room)
- AM/FM/CD stereo (flying bridge)

Deck

An electric windlass makes anchoring an easy task. The bow is safely accessed by way of recessed side walks with nice tall bow rails and handrails strategically placed around the house. Both the Flying bridge Canvas and full eisenglass enclosure, and the cockpit canvas and full eisenglass enclosure (not pictured) are included with the sale of this fine vessel.

Exclusions

Owner's personal belongings.
