SPECIFICATIONS

Overview

With huge comfort, major capability and loads of state-of-the-art features, Boston Whaler's 420 Outrage is truly a boat like no other. From the expansive bow with innovative seating, to the beautifully designed, convertible helm and cockpit areas, to the gracious, well-equipped cabin, it's a champion for onboard entertaining and pleasure cruising, whether close to home or way offshore. With so many gracious spaces to settle in for the day, this is the boat you'll want to enjoy with family and friends. And, true to its Outrage lineage, serious sport fishing falls squarely within its domain. Performance is also astounding. Look to quad Mercury Verado 300s with Joystick Piloting for incredible power and precision. Plus, Mercury's integrated SmartCraft VesselView display, power steering and digital throttle and shift combine on the 420 to deliver a sophisticated, seamless command experience. And Whaler's new dynamic running surface hull technology, featuring automatically adjusting trim tabs, enhances ride quality to new levels
