## Overview

---

### Azzurro A50 OPEN CATAMARAN YACHT

Designed with the principle of being environmentally friendly, A50 is the newest model of Azzurro to accommodate at least 6 people, comfortably. A50 is specially designed with a very large open space to provide comfort during day cruising or longer trips. A50 offers an enormous main deck encompassed with a glass roof – a smooth space opening wide onto the cockpit and giving direct access to the deck through collapsing entryways on both sides of the yacht. The bow of the deckhouse highlights an expansive galley. Amidships is the focal relaxing space with a large couch and a dining table. The top part, functioning as a solar panel surface enables gaining extra energy from the sun. A50 highlights a monstrous upper deck finished with an exquisite bimini. This beautiful space can be fitted with a bar and couches to get a large dining and lounging space. The front terrace enables her Owner to relax on massive sun pads or to enjoy a long bath in the Jacuzzi. Her Owner may choose among the various dependable engine alternatives for an advanced cruising performance. The yacht also may be equipped with a large aft garage to store tenders and water sports equipment. A50 is created with a passion for luxury and quality cruising. The design of the hulls enables the possibility to install 2 generous master suites and 1 guest cabin. With the flexible design structure of the yacht and endless material options for the decoration, she may become a luxurious floating condo or a comfortable, family house, reflecting her Owner's style and personality.
