Accommodations & Broker's Notes

These boats were designed for speed and comfort, and no detail is spared on Cattitude's accommodations. Upon entering through the cockpit (which, alone, seats 10 for parties and cruises!), there is a lovely dinette to port and a full galley to starboard with a brand new refrigerator, a 2-burner stove, twin stainless steel sinks, a microwave, and beautiful Corian countertops. A TV sits above the fridge so that you can have that at-home comfort while at sea.

There is a step-down cabin aft, which converts into a private sleeping area or simply acts as a private lounge. Forward, the head features a rounded separate stall shower and plenty of room! Twin doors enable you to enter the head privately from the forward cabin or from the living area.

The forward cabin features a centerline queen, with beautiful details and ample walk-around room. There is plenty of storage--two cedar-lined closets and ample drawer space. With opening hatches, you have the option of sleeping with the breezes blowing through the boat or in the comfort of heat or AC.

This is truly a boat that has something for everyone! Speed, comfort, and luxury and an affordable price! Call me today. 305-807-4096!
