SPECIFICATIONS

Overview

The Carver 36 Motor Yacht (called the 346 MY in 2002; 366 MY in 2003-04) has more living space than any 36-foot, aft-cabin yacht in her class. Built on a beamy modified-V hull with cored hullsides and a solid fiberglass bottom, the impression of space in the full-width salon is enhanced by tiered cabin windows and earth-tone decor which makes her vast interior not to be denied!

The 366 layout, which was introduced in 2003, has a dinette across from the mid-level galley—a major improvement—with only a single stall shower aft. (Note that storage space in the compact aft stateroom is at a premium.)

Outside, there's room on the aft deck for a few pieces of deck furniture, and the flybridge is arranged with a wet bar, an L-shaped lounge, and seating for three at the helm. A central vacuum system and swim platform were standard.

Owner will entertain all offers! Owner recently spent \$20,000 completing all necessary maintenance and repairs on the boat. She is a clean and very TURN KEY ready boat, something that is near IMPOSSIBLE to find in the \$100k-\$125k.

She is available to be seen at anytime and available for Co-brokerage. No trades, as the owner is not buying a new boat.

Features Include:

- Twin Volvo Gas Engines w/340 hrs.
- Kohler Generator w/395
- Full detailing last month
- Cutlass Bearings recently reaired
