## Overview

---

Cool Enough is equipped with twin Cummins 550 CSC diesels with Zeus Pod Drives and Joystick.

Dual Raymarine GPS plotters, radar, and VHF along with the integrated Joystick keypad with Autopilot and "Skyhook" function, make this boat a joy to operate as you have complete control of her while docking or maneuvering in tight marina basins.

The Skyview atrium to lower salon sun room and galley really open up the lower staterooms areas to natural light and spaciousness.

The offset entrances to the forward VIP Stateroom and Mid-ship Master give plenty of privacy when overnighting with guests, which this boat is well-equipped to do.
