Holding Tank: 100 Gallons

Fuel Capacity: 830 Gallons

Accommodations

Total Cabins: 5

Hull and Deck Information

Hull Material: Fiberglass

DETAILED INFORMATION

Vessel Information

Owner will consider trades

WE ALL II (a 2009 Lazzara LSX 75) is on the West Coast, **owned in an LLC** and ready for cruising. Take advantage of her Seattle location saving you time and money on shipping costs. In addition her custom installed inverter and battery system make those generator free nights possible. As you will see from the photos (taken May 2017) WE ALL II is in pristine condition. Flawless in every area and the latest model LSX 75 (hull #18) ever built by Lazzara. Features such as the updated hull side window line, larger swim platform, dual aft deck steering stations, low hours and more are what set this LSX 75 apart from all others.

A perfect blend of form and function with a sleek, modern exterior and well-appointed interior, combining a nice blend of woods, fabrics and glass. Her four staterooms are spacious and comfortable with room for two crew in a separate aft area. The unique bi-level salon and galley is surrounded by large windows and a sunroof which provide an incredible sense of being on a much larger yacht either at the dock or underway. Powered by four advanced Volvo engines with the latest pod drive technology, this 75 foot yacht can very comfortably be handled by professional crew or an owner operator with the easy-to-use joy stick control. She is fast underway yet is very easy to maneuver into a berth, all the while providing complete comfort both inside and out for your guests. By opening the sunroof, the aft door, and the windows, her main deck is transformed into a large "outdoor" area connected with the settee and sunpad on the huge aft deck. When these are all closed, the salon provides a private, cool environment to relax. This particular yacht has spent the first part of her life in fresh water in the Great Lakes during the summers and then safely stored in a heated garage in the winter. Don't miss this amazing opportunity to own a one-of-a-kind located and maintained Lazzara LSX 75

Salon
