SPECIFICATIONS

Overview

THIS 32' 2005 SEA RAY SUNDANCER - IS FOR SALE AND LOCATED IN GALVESTON, TX * Own this 32' Sea Ray for \$20K down and only \$525.00 per month. *Actual amounts will vary depending on buyers information, credit, etc. and other criteria determined by the lending institution. This assumes 20% down at 5% interest. This is only a sample projection.

The name of this beautiful low hours Sea Ray 320 Sundancer is "Marilu", but she should be named MRS. CLEAN! Rarely have I seen a boat this well taken care of and super clean. Not only is Sea Rays dedication to putting out a high quality product very evident in this boat, but the owners dedication and pride of ownership only enhances the fit and finish of this beautiful small yacht. From the u-shaped aft seating arrangement, to the dual helm seat with bolster and the polished cherry paneling you will have the time of your life sharing this wonderful vessel with all your family and friends. Six feet 4 inches of cabin headroom will accommodate all but your tallest friends and a full wet bar will quench your thirsty guests on those hot and humid days on the water. Expect to get where you're going fairly quickly, since the Mercruisers will lope along quite comfortably in the mid to high 20's. Upgraded Nibral props, recent bottom paint, a grill and new L E D lighting will only enhance your journey. If fun had a proper name, it would be called "Marilu". Come and see her. You wont be disappointed.

- **Water:40 gals**
- **Waste:28 gals**
- **Hull Type:Deep-V**
- **Deadrise Aft:21°**

Powerboat Guide Review

Mega-popular express introduced in 2003 set high standards for timeless styling, rich accommodations, proven owner satisfaction. Highlights include roomy, open-plan interior with lacquered cherry cabinets, expansive cockpit with U-shaped lounge seating, double helm seat with flip-up bolsters, burlled dash, extended swim platform, power engine room hatch. Side decks are narrow; engine access is a little tight. Deep-V hull can handle a stiff chop. Cruise in mid 20s with 300hp V-drive inboards (about 30 knots top).
